*The National Home Inspector Examination "How to Pass on Your First Try"* May 18 2021 FastTrackTM Book: The National Home Inspector Exam, "How to Pass on Your First Try". Written by FastTrackBooks.org. Developed by licensed home inspectors, professional engineers, and expert contractors, provides over 400 Practice Problems and step by step solutions to help you prepare for the 2014 National Home Inspector Examination. The questions follow the identical content outline of the National Home Inspector Examination, which is published by the national board of home inspectors. The book provides specific test taking strategies, talks about tips and hints, and is separated into 6 practice exams. Most home inspection training schools provide you with multiple reference textbooks and tons of information and then leave it all up to you to try to study for the exam. Our book is the only resource that you will need to pass the exam! The Book is designed specially to teach you how to pass the home inspector exam. It does not waste time on theory or out dated problems- which will only confuse you more, but instead, only contains practical questions and ones that are most likely to appear on the actual exam based on the percentages which are published by board of home inspectors. Also included are updated code questions from 2014 Building code, the 2012 International Green Construction Code, and professional standards, and an entire section dedicated to Litigation Strategies "Minimizing Exposure and How not to get SUED". This resource is a must have for Contractors who want to branch into the Home Inspection industry or anyone wishing to pass the exam on their first try. The book will show you how to maximize your score. Our book is designed specially to teach you how to pass the exam. This book contains over 400 practice problems compiled into (6) Exams. The questions are very similar to those on the National Home Inspector Examination and a significant percentage of the questions were from previous exams. You have the option to pick which practice exams you want to work on, or decide which specific category of problem you want to review. Every question is categorized by topic order which gives you the option to work similar type problems or in random order. If you are considering studying for the home inspection exam, this book will teach you how to pass on your first try. Many experienced and knowledgeable contractors, who are eager to branch into the home inspection business, consistently make the common mistake of underestimating the Home Inspector Examination. While they may be very knowledgeable in different trades, they fail to realize that the exam is based on very specific standards and industry codes related to home inspection. This book will prepare you in all the relevant knowledge areas are covered in the exam. These questions keep appearing time and time again, learn them and pass the exam!

**1,001 Questions and Answers for the CWI Exam** Jan 14 2021 AWS (The American Welding Society) is the worldwide leader in certification programs for the welding industry. Since the CWI (Certified Welding Inspectors) program inception in 1976, AWS has certified more than 100,000 welding inspectors alone, plus thousands more working professionals across other certification categories. AWS conducts exams in locations around the world, including 550 U.S. sites and 40 countries each year. Many candidates mistakenly assume their field experience is enough to obtain certification, only to end up frustrated when they fail to pass their exam. Certification exams are intentionally comprehensive to ensure the welding industry the high-quality personnel needed to handle these complex roles. The process requires almost everyone to prepare to some extent - even those with years of experience: How much preparation? It depends upon your current skills and knowledge. Are the rewards worth it? The rewards are often worth the time you invest: certification can boost your earnings significantly and expand your career opportunities. While there are a few books that can be purchased from the AWS and outside sources on the CWI exam, there are no publications dedicated to helping CWI candidates pass the exam. This title was written for that express purpose. This work is a comprehensive collection of preparatory exam questions and answers for welders, inspectors, students, or anyone interested in the welding metallurgical field. The work boasts appendices that include tables, formulas, lists of organizations and major corporations employing welders and inspectors.
