Gale's Auto Sourcebook 2 Jan 28 2020 This book is designed to present, in one convenient source, comments published in periodicals about 325 automobile models manufactured since 1987 on a model-by-model basis. These periodicals range from general interest to specialized sources as well as repair manuals

and other publications related to the individual models.

Updates to Florida's Level of Service Manual and Generalized Tables Jul 04 2020

"Summarizes the activities and products of a project that produced an updated version of Florida's Level of service manual, which has been subsequently published in final form. Other products included implementation software, training materials and a CD-ROM based version of the draft document as a multimedia demonstration. The final report also includes 14 working papers presenting the results of studies conducted in support of the recommended changes to the manual"--Technical report documentation page.
