Cups & Scales is an inspirational picture book with text and illustration used by members of Overeaters Anonymous and others with eating disorders, about weighing and measuring food and emotions, plus information to contact people and groups who weigh and measure food, including people in Compulsive Overeaters Anonymous-HOW; Cups & Scales Forum; Food Addicts Anonymous; Food Addicts: The Body Knows Online Discussion Group; Greysheeter's Anonymous; Overeaters Anonymous HOW and 90-Day meetings; and Recovery from Food Addiction. Contacts are willing to be your phone buddy or to sponsor you. You get access to phone meeting numbers, websites, and email addresses to contact people who weigh and measure. This serious picture book with humor will delight. The artist Mercedes McDonald works in true concert with the editor to create a picture book that gently instructs. Like Aesop's Fables, the attitudes of the cups and scales strike lightning quick insights. They show the trickery we can play and the shifting thoughts that can lead toward or away from right action - with food and with life. Cups & Scales does for the problem eater what the popular Stools & Bottles does for the alcoholic. It looks at the attitudes. The cups and scales are characters; the illustrations are in full color. Over the years a practice has grown up where many people weigh and measure their food as part of a personal plan of recovery from compulsive overeating, food addiction, anorexia, bulimia, emotional eating and other eating disorders. There are many women and men recovering who DO NOT weigh and measure their food. The authors take no position on weighing and measuring food. There are many strong feelings about it. This book is neither endorsed by nor sponsored by any organization. Here you will learn about weighing and measuring food and emotions. It is not the cups and scales or weighing and measuring that makes my recovery. It is my perspective toward the cups and scales and life that helps make life manageable and joyous. Cups & Scales have more to do with a spiritual program than at first look. What do I bring to food and life with my attitudes -- toward quantity, big eyes, magical thinking, fear, ruts, starting something with hope, self-nourishment, moving forward. My perception about an activity affects the act itself - fear, self-pity, wanting it to be more than it is, fighting it, getting tired of it, getting clarity about how it is helpful, trying a new experience. Often my actions affect my well-being for the day. When I am at peace with my food and my emotions, I can be at peace with others. When can I be on a "dry drunk" even when using cups and scales to weigh and measure food? What do cups and scales have to tell me? Let's look. This is an updated version (January 2014) of the popular OA Big Book study guide written by Lawrie C. It is reproduced (printed and bound) and offered for sale under the author's terms as a service to OA members. Reproduction and sale at a price above cost of is a violation of the author's terms and copyright. Find out more at oabigbook.info Anyone who's tried to lose weight through sheer willpower knows how difficult, if not impossible, it can be. In this practical and paradigm-shifting book, Dr. Jean Kristeller presents a new alternative--a program for weight loss based on her successful Mindfulness-Based Eating Awareness Training Program. Instead of frustration, deprivation, backsliding, guilt, and a lack of results, The Joy of Half a Cookie provides simple, proven ways to lose weight and keep it off, using what we now know about the power of the mind. The first book to bring mindfulness to the dieting space in a truly accessible and mainstream way, The Joy of Half a Cookie will show readers how to lose weight while: ditching willpower, guilt, and cravings loving every bite, including favorite and previously "forbidden" foods tapping into the body's satiety signals Written for anyone who wants to lose weight - not just the meditation and yoga crowd - this accessible book delivers a proven way to find peace of mind and a healthier relationship with food, for life. The third edition of Overeaters Anonymous, OA's Brown Book, includes forty never-before-published, personal stories by recovering OA members from around the world the founder's story the complete text of ""Our Invitation to You"" an all-new Appendix, ""The Role of a Plan of Eating in Recovery from Compulsive Eating"" by a dietitian specializing in addictive and compulsive eating disorders the book's original three appendices, ""A Disease of the Mind,"" ""A Disease of the Body,"" and ""A Disease of the Spirit"" and a new Forward by an eating-disorder treatment professional The newly compiled 12 Step Prayer Book offers adapted and traditional prayers to complement any Twelve Step program or any mindful recovery experience. Collected and compiled from varied authors, faiths, and lifestyles, these prayers of strength and healing will give you a thought for each day. These are the faithful words of the world. From Bill P., the author of the recovery classics Easy Does It and Drop the Rock, and Lisa D., comes this cherished set of prayers, now presented for the first time as part of Hazelden's beloved series of daily readings. Bookended by morning and nightly prayers, this new edition now provides prayers and readings based on themes related to each Step. Regardless of your religious affiliation or a lack thereof, prayer has infinite power: it is the spiritual language of the unified human experience. In a modern approach to prayer and meditation, The 12 Step Prayer Book utilizes sources from across the world to support your recovery. Treatment, counseling, and other forms of therapy are unquestionably necessary for sobriety. They are, however, finite. Once they end, what becomes our source of hope, strength, and wisdom? Twelve Step recovery demands continuous spiritual growth, and spiritual growth demands a Higher Power. Our faith needn't be perfect, but it must be present. Through prayer and daily connection with the spiritual, our hearts remain full and open to the life recovery promises. A NEW YORK TIMES BESTSELLER Foreword by John Robbins, author of the international bestseller Diet for A New America In this book, Susan Peirce Thompson, Ph.D. shares the groundbreaking weight-loss solution based on her highly acclaimed Bright Line Eating Boot Camps. Rooted in cutting-edge neuroscience, psychology, and biology, Bright Line Eating explains why people who are desperate to lose weight fail again and again: it's because the brain blocks weight loss. Bright Line Eating (BLE) is a simple approach designed to reverse that process. By working with four "Bright Lines"—clear, unambiguous, boundaries—Susan Peirce Thompson shows us how to heal our brain and shift it into a mode where it is ready to shed pounds, release cravings, and stop sabotaging our weight loss goals. Best of all, it is a program that understands that willpower cannot be relied on, and sets us up to be successful anyway. Through the lens of Susan's own moving story, and those of her Bright Lifers, you'll discover firsthand why traditional diet and exercise plans have failed in the past. You'll also learn about the role addictive susceptibility plays in your personal weight-loss journey, where cravings come from, how to rewire your brain so they disappear, and more. Susan guides you through the phases of Bright Line Eating—from weight loss to maintenance and beyond—and offers a dynamic food plan that will work for anyone, whether you're vegan, gluten-free, paleo, or none of the above. Bright Line Eating frees us from the obesity cycle and introduces a radical plan for sustainable weight loss. It's a game changer in a game that desperately needs changing. A year of daily meditations to celebrate and strengthen the family. Herb K., who is also the author of "Twelve Step Guide to Using the Alcoholics Anonymous Big Book", continues sharing his insights to the Twelve Steps by explaining the how and why, using his own experience along with traditional and universal spiritual wisdom. This book illuminates a path from the dark world of alcoholism and brokenness to a life of peace, purpose and fulfillment. Herb K. leads Twelve Step workshops, retreats and teaches spirituality and recovery throughout the U.S.

and the world. Eating Disorders Anonymous: The Story of How We Recovered from Our Eating Disorders presents the accumulated experience, strength, and hope of many who have followed a Twelve-Step approach to recover from their eating disorders. Eating Disorders Anonymous (EDA), founded by sober members of Alcoholics Anonymous (AA), have produced a work that emulates the "Big Book" in style and substance. EDA respects the pioneering work of AA while expanding its Twelve-Step message of hope to include those who are religious or seek a spiritual solution, and for those who are not and may be more comfortable substituting "higher purpose" for the traditional "Higher Power." Further, the EDA approach embraces the development and maintenance of balance and perspective, rather than abstinence, as the goal of recovery. Initial chapters provide clear directions on how to establish a foothold in recovery by offering one of the founder's story of hope, and collective voices tell why EDA is suitable for readers with any type of problem eating, including: anorexia nervosa, bulimia, binge eating, emotional eating, and orthorexia. The text then explains how to use the Twelve Steps to develop a durable and resilient way of thinking and acting that is free of eating disordered thoughts and behaviors, including how to pay it forward so that others might have hope of recovery. In the second half of the text, individual contributors share their experiences, describing what it was like to have an eating disorder, what happened that enabled them to make a start in recovery, and what it is like to be in recovery. Like the "Big Book," these stories are in three sections: Pioneers of EDA, They Stopped in Time, and They Lost Nearly All. Readers using the Twelve Steps to recover from other issues will find the process consistent and reinforcing of their experiences, yet the EDA approach offers novel ideas and specific guidance for those struggling with food, weight and body image issues. Letters of support from three, highly-regarded medical professionals and two, well-known recovery advocates offer reassurance that EDA's approach is consistent with that supported by medical research and standards in the field of eating disorders treatment. Intended as standard reading for members who participate in EDA groups throughout the world, this book is accessible and appropriate for anyone who wants to recover from an eating disorder or from issues related to food, weight, and body image. Twenty Four Hours a Day Softcover (24 Hours) Now In paperback, end the cycle of relapse and yo-yo dieting to create sustained weight loss and lasting recovery by embracing a total reframe on food addiction from the New York Times best-selling author of Bright Line Eating. Do you think excessively about your food and weight? Are you plagued by food cravings? Do you wonder how other people get "full" so quickly while you just want to keep eating? Are you able to go long stretches with your program, only to crash and burn and have to dig out of the ditch-yet again? Not only is food addiction very real, it's the hardest addiction to beat. It's exhausting and demoralizing. But there is a solution. With her groundbreaking Rezoom Reframe, Susan Peirce Thompson, Ph.D., founder of Bright Line Eating, offers a new way to conceptualize food recovery. She shares the essential steps to avoiding the short-lived highs and vicious lows of relapse by helping you understand the psychological and biological origins of addiction and then giving you the system to break free. Woven throughout are lessons from Everett Conisidine, acclaimed Internal Family Systems practitioner, to help you overcome your inner resistance so you can finally stay on track in those moments of self-sabotage. It is possible to live free from the tyranny of relapse. Let Susan and Everett help you to permanently unshackle yourself, find the sustainable way to manage your food, and enjoy your brightest life. A guided journal to help overeaters get to the heart and soul of their eating patterns. As a 328-pound woman, Debbie Danowski was on her way to an early death when she entered a treatment center for food addiction 14 years ago. During the six-week stay, she was required to keep a daily journal, a task that she now credits with helping to save her life. The act of writing forced Danowski to uncover thoughts and feelings she had kept hidden. It was the key to unlocking her lifelong food obsession. Now Danowski brings her special insight and writing expertise to The Overeaters Journal with journaling exercises that explore the physical, emotional, and spiritual aspects of food obsession. Children of alcoholic or addicted parents may be stripped of hope, courage, and self-esteem. The dysfunctional family is fueled by shame and chaos, stunting children's relationships and self-acceptance. Adult children of alcoholics and addicts need encouragement to overcome these childhood deprivations. Days of Healing, Days of Joy models a program of serenity, spirituality, and acceptance through its meditations. "Children of alcoholics are set up for their struggles. You are not sick. You got set up." —Dr. Jan Woititz Alcoholic or addicted parents may become focused on their compulsion while their children fend for themselves in a dysfunctional household. Without helpful and informative parental guidance, children manage their own personal growth, and their spiritual and emotional health suffers. Children parent themselves, and their innocence dies. Parents with addiction may not have demonstrated healthy connection and love to their children. Adult children of addicts or alcoholics are often shadowed by this disconnect; codependency, self-judgment, and overzealous loyalty darken their doorway. Fortunately, healing and recovery are within reach. In Days of Healing, Days of Joy, Earnie Larsen and Carol Larsen Hegarty share the reflective and peaceful insight needed for growing up again—this time with plenty of love and patience. True, lasting recovery requires us to create and maintain inner peace. For many, it springs from a practice of mindfulness, for others from the rituals of religion. But not everyone finds a connection with a Higher Power in those ways. Through daily reflection and meditation, In God's Care gifts a healing inspiration to our spirit. Steadily, we find spiritual growth. Recovery is an act of faith. An addict is promised healing and self-development through the rigors of counseling, treatment, therapy, and a Twelve Step program. With motivational guidance, addictive behaviors are abandoned, coping skills are learned, and sobriety is lasting. The cycle of addiction is broken by trusting in the process. This is the power of faith: a new way of life. Co-author Karen Casey, who wrote the bestselling recovery classic Each Day a New Beginning, harnesses this power to transform life's struggles into a devotional outlook. These heartfelt meditations encourage the optimism needed for continuous change. It doesn't matter what we call the goodness we wish to be and see—God or otherwise. It only matters that we hold it in our hearts and affairs as we create a new life. That is the truest definition of a Higher Power. Millions of dollars are spent each year on weight-loss products, mostly the result of futile attempts to correct an underlying and misunderstood problem: food addiction. Since beginning her own recovery from food addiction in 1977, Sheppard has helped thousands of people live healthy lives by following her comprehensive program. The crux the program's success is the Recovery Food Plan, which effectively eliminates cravings for sugar, carbohydrates, caffeine and personal trigger foods, which not only add unwanted pounds, they literally wreak havoc in the body. Food Addiction: Healing Day by Day appropriately begins on January 1, a time when most people are looking to shed unwanted holiday pounds and begin a healthier lifestyle. Each daily entry includes an affirmation for readers to focus on as well as a point of reflection, and offers an insightful message from Sheppard as someone who's "been there", helping them to: Overcome emotional barriers to recovery Avoid people who sabotage recovery efforts Recognize and prevent relapse Stay motivated, especially during challenging times At the end of each week, Sheppard poses thought-provoking questions to ensure that readers stay honest to the plan, keep their emotions in check, and avoid destructive behaviors. Sprinkled throughout are helpful "stress busters" and real-world tips to help readers achieve success. This is a book of reflections by A.A. members for A.A. members. It was first published in 1990 to fulfill a long-felt need within the Fellowship for a collection of reflections that moves through the calendar year--one day at a time. Each page contains a reflection on a quotation from A.A. Conference-approved literature, such as Alcoholics Anonymous, Twelve Steps and Twelve Traditions, As Bill Sees It and other books. These reflections were submitted by members of the A.A. Fellowship who were not professional writers, nor did they speak for A.A. but only for themselves, from their own experiences in sobriety. Thus the book offers sharing, day by day, from a broad cross section of members, which focuses on the Three Legacies of Alcoholics Anonymous: Recovery, Unity and Service. Daily Reflections has proved to be a popular book that aids individuals in their practice of daily meditation and provides inspiration to group discussions even as it presents an introduction for some to A.A. literature as a whole. With millions of copies sold, these inspirational daily meditations speak to the common experiences, shared struggles, and unique strengths of women in recovery from all addictions. Discover why Each Day a New Beginning has become a classic for recovering women everywhere. Beloved author Karen Casey shares wisdom on spirituality, acceptance, self-esteem, relationships, perfectionism, the importance of connecting with other women, and many other topics essential for continued sobriety and personal growth. These daily meditations begin with quotations from exceptional and diverse women from around the world and end with actionable affirmations for the twenty-four hours ahead. In this perfect companion for AA, NA, and other Twelve Step programs, all recovering women will find messages that inspire them to live their best lives. Organized as weekly collections of stories, meditations, and suggestions, 52 Weeks of Conscious Contact addresses key self-care issues. What gets in the way of serenity? For most people, the answer is life--those everyday distractions, obligations, and frustrations that cause chaos and clutter. In her new week-by-week guidebook, best-selling self-help author Melody Beattie brings new hope to individuals longing to lead a more serene life.Organized as weekly

collections of stories, meditations, and suggestions, 52 Weeks of Conscious Contact addresses key self-care issues, including how to nurture inner peace, when to reach out to others, how to carry through on good intentions, where to make time for fun, and how to cultivate a deeper prayer life. Beattie's thoughtful prose and practical advice provide new opportunities for reflection, affirmation, and change. Speaking thoughtfully to those recovering from substance abuse and addiction, God Grant Me offers a daily dose of strength and wisdom with each of its meditations. The journey of recovery is inspired by insight, prayer, and continuous renewal. After years of reflection on the themes they presented in their first collection of readings, with this follow-up the authors of the bestselling meditation book Keep It Simple build upon incorporating Twelve Step practices into their daily lives. These readings present the recovery wisdom of Alcoholics Anonymous, Narcotics Anonymous, and other Twelve Step programs, supporting readers in the process of developing a regular therapeutic practice of mindfulness, community, and inspiration. Overcoming addiction requires connecting with the things that define a life of health and wellness—introspection, spirituality, daily support, and fellowship. God Grant Me is a dependable companion that gives guidance and inspiration for new beginnings and a sustained sober life. One of OA's first books, Lifeline Sampler is composed of more than 200 stories from Lifeline magazine. The stories, submitted by OA members, cover such topics as abstinent living, spiritual insights, Steps and Traditions, food and weight, slips and relapse, relationships in recovery, and more. Drawing on the evidence-based Internal Family System (IFS) therapy model, An Internal Family Systems Guide to Recovery from Eating Disorders: Healing Part by Part addresses the necessity of healing the eating disorder sufferer's three groups of inner "Parts": the Mentors, the Advocates, and the Kids. In order to reconnect to their sense of Self and to achieve an inner balance necessary for recovery, the reader learns to address the unique needs of each of their "Parts." Written in an accessible style, this book combines passionate examples from the author's client cases and her own recovery with a step-by-step framework for identifying and healing the readers' Parts using the IFS model. Each chapter ends with questions for the reader to answer to further enhance their personal recovery. An Internal Family Systems Guide to Recovery from Eating Disorders: Healing Part by Part will be essential to mental health professionals treating clients with eating disorders and to the clients themselves. Bestselling author and renowned Buddhist teacher Noah Levine adapts the Buddha's Four Noble Truths and Eight Fold Path into a proven and systematic approach to recovery from alcohol and drug addiction—an indispensable alternative to the 12-step program. While many desperately need the help of the 12-step recovery program, the traditional AA model's focus on an external higher power can alienate people who don't connect with its religious tenets. Refuge Recovery is a systematic method based on Buddhist principles, which integrates scientific, non-theistic, and psychological insight. Viewing addiction as cravings in the mind and body, Levine shows how a path of meditative awareness can alleviate those desires and ease suffering. Refuge Recovery includes daily meditation practices, written investigations that explore the causes and conditions of our addictions, and advice and inspiration for finding or creating a community to help you heal and awaken. Practical yet compassionate, Levine's successful Refuge Recovery system is designed for anyone interested in a non-theistic approach to recovery and requires no previous experience or knowledge of Buddhism or meditation. Based on the spiritual foundations of Twelve Step programs, these daily readings—part of Hazelden's meditation series—offer inspiration, affirmation, and hope to those of us in recovery from addiction. Drawing upon insightful phrases often overheard in the rooms of recovery, the daily reflections and prayers in this collection are intended to offer comfort and guiding reminders to those recovering from alcoholism, drug addiction, substance use disorders, process addictions, or other compulsive behaviors. Recovery is a process that happens a day at a time, and this daily reader will support your journey. Daily positive thoughts offer insight and ideas for meeting the challenges of ongoing recovery from eating disorders. As we recover from an eating disorder, these 366 meditations will help us find the power to develop and deepen our spirituality. Daily positive thoughts offer insight and ideas for meeting the challenges of ongoing recovery from eating disorders. For people in recovery from substance abuse, self-pity and negative thinking are bait for destructive tendencies. Any addictive thoughts can sabotage the emotional progress you make through treatment and diligent work in sobriety. Easy Does It provokes daily reflection through its inspirational quotes, meditations, and AA slogans. Now, cravings meet compassion, and self-pity meets self-love. Your recovery finds its heartbeat. Inner peace and contentment will disable any trauma, loneliness, or emotional pains in your recovery. Remember, though: spiritual awakenings and contentment do not come all at once. Recovery is not a light switch, but a daily march. The march must always be purposeful and patient, and no one can do it for you. Easy Does It, written by the authors of The Twelve-Step Prayer Book, is a Twelve-Step meditation book that guides your intentions on a daily basis. It relies upon its deep understanding of spirituality and mindfulness to bring about serenity. These aren't simple buzzwords: they are the birthplace of your day's spirit. One simple thought can change your day. Make yours serene. Explains the twelve steps of Overeaters Anonymous, its program of recovery for food addiction, and the twelve traditions, the principles that guide its groups and services. Food for Thought offers comforting words for compulsive overeaters who seek to understand the role of food in their lives, and helps them support a life of physical, emotional, and spiritual balance. Food for Thought offers wise and comforting words for compulsive overeaters who seek to understand the role of food in their lives. Each day's reading in the best-selling classic--the first Hazelden meditation book to address the needs of overeaters--supports a life of physical, emotional, and spiritual balance. Read daily by millions, Hazelden meditation books have set the standard for quality and popularity. Like all the Hazelden meditation favorites, Food for Thought provides enduring wisdom, reassurance, and strength. The twelve steps and Twelve traditions reprinted for adaptation by permission of AA World Services, Inc.--T.p. verso. Please note: This is a companion version & not the original book. Sample Book Insights: #1 Overeaters Anonymous has a program of recovery that has helped thousands of compulsive overeaters stop eating compulsively. The program is based on the twelve steps, and it offers a solution that works. #2 Compulsive overeating is a disease that cannot be controlled by willpower. It stems from an abnormal reaction to food, which is different from the reaction of a normal eater. We will always have these abnormal tendencies. #3 We must abstain from all foods and eating behaviors that cause us problems. If we don't ever overeat, we won't be triggered to crave more. But this, too, has proven impossible for us to do by our willpower alone. #4 We are all compulsive overeaters, and as long as we believe that we already know what is best for us, we will cling to our habitual ways of thinking and acting. But as long as we believe that we can handle life through self-will alone, we will continue to fail. Millions of us are locked into an unwinnable weight game, as our self-worth is shredded with every diet failure. Combine the utter inefficacy of dieting with the lack of spiritual nourishment and we have generations of mad, ravenous self-loathing women. So says Geneen Roth, in her life-changing new book, Women, Food and God. Since her 1991 bestseller, When Food Is Love, was published, Roth has taken the sum total of her experience and combined it with spirituality and psychology to explain women's true hunger. Roth's approach to eating is that it is the same as any addiction - an activity to avoid feeling emotions. From the first page, readers will be struck by the author's intelligence, humour and sensitivity, as she traces the path of overeating from its subtle beginnings through to its logical end. Whether the drug is booze or brownies, the problem is the same: opting out of life. She powerfully urges readers to pay attention to what they truly need - which cannot be found in a supermarket. She provides seven basic guidelines for eating (the most important is to never diet) and shares reassuring, practical advice that has helped thousands of women who have attended her highly successful seminars. Truly a thinking woman's guide to eating - and an anti-diet book - women everywhere will find insights and revelations on every page. These 366 daily affirmations and meditations extend support and wisdom to women who have survived childhood sexual abuse. These 366 daily affirmations and meditations extend support and wisdom to women who have survived childhood sexual abuse. With understanding, compassion, and strength, the author addresses issues such as intimacy, fear, play, sharing secrets, and anger. She also shares her personal knowledge of sexual abuse to illustrate that we can not only survive, but thrive. The author of the popular Food for Thought takes a fresh, in-depth look at the Twelve Steps of Overeaters Anonymous. The author of the popular Food for Thought takes a fresh, in-depth look at the Twelve Steps of Overeaters Anonymous. Each chapter carefully examines and interprets each of the individual Steps. Daily reflections for those searching for lasting recovery from sex addiction. The supportive and motivational thoughts in this bestselling collection of daily readings promise to spark the healing, hope, and personal growth anyone addicted to sex needs to embrace recovery. Part of the Hazelden Meditation series, each thought of the day inspires the strength, courage, and mindfulness readers need to overcome patterns of sexual compulsion. Featuring 366 affirmations that complement any Twelve Step program for love addiction or an unhealthy dependence on sexual behavior, this book will become the touchstone to your transformation. Intended to nurture self-esteem and strengthen family relationships, these meditations help families explore harmony, sharing, individuality, trust,

privacy, and tolerance. Each family member is both an individual and a part of a larger unit. The tensions and joys that can help a family care for all its members are explored in these meditations that nurture family esteem and strengthen family bonds. The readings in Today's Gift nurture self-esteem by encouraging discussion, self-expression, and respect. They feature insightful, challenging, and caring quotations from ancient proverbs, nursery rhymes, and cartoon characters, as well as important public figures that are familiar to all generations of the family. An inspiring collection of meditations, prayers, and insights designed to facilitate the weekly practice of the 11th step, heightening our conscious contact with God as we understand him. Each year, hundreds of men and women cross the threshold of the Wolfe Street Center in Little Rock, Arkansas. Many of them attend the "Hour of Power," a weekly Sunday morning meeting focused on heightening one's spiritual awareness and growth by focusing on the Eleventh Step of Alcoholics Anonymous: "Sought through prayer and meditation to improve our conscious contact with God as we understood Him, praying only for knowledge of His will for us and the power to carry that out." This special book, designed for weekly study, offers a prayer, a meditation, and related insights from the discussions that emerged during the "Hour of Power." Sought Through Prayer and Meditation brings the insights of the collective consciousness of the Wolfe Street groups to recovering people everywhere. This book reminds us that if we are vigilant in our spiritual pursuit, we may well achieve what is promised: "a glimpse of that ultimate reality which is God's kingdom." (Geno W.) A dependable companion for people in all stages of recovery, Keep It Simple's meditations bring you back to the basics of living a Twelve Step program. The recovery wisdom in each thought for the day works as an engaging reminder to show up for yourself, your program, and your overall wellness every day. As you go through your journey of recovery with the Steps as your guideposts, these inspirational daily meditations give your spirit a feeling of regular renewal, fellowship, and new beginnings. Each page serves as your cornerstone for a new life, helping you cultivate true health, personal growth, and transformation—in a way that complements the life-changing guidance of Alcoholics Anonymous, Narcotics Anonymous, and other programs. By providing a year's worth of encouragement, reflection, and prayer, Keep It Simple becomes the sustaining daily dose of support and strength you can always count on. Cherished by millions for decades, this recovery classic is an expansive collection of insight and guidance. Weaving together traditional teachings and diverse voices, it's your daily invitation to a practice of mindfulness, therapeutic healing, and overcoming addiction.
