Discover the untold story of African surf culture in this glorious and colorful collection of profiles, essays, photographs, and illustrations. AFROSURF is the first book to capture and celebrate the surfing culture of Africa. This unprecedented collection is compiled by Mami Wata, a Cape Town surf company that fiercely believes in the power of African surf. Mami Wata brings together its co-founder Selema Masekela and some of Africa's finest photographers, thinkers, writers, and surfers to explore the unique culture of eighteen coastal countries, from Morocco to Somalia, Mozambique, South Africa, and beyond. Packed with over fifty essays, AFROSURF features surfer and skater profiles, thought pieces, poems, photos, illustrations, ephemera, recipes, and a mini comic, all wrapped in an astounding design that captures the diversity and character of Africa. A creative force of good in their continent, Mami Wata sources and manufactures all their wares in Africa and works with communities to strengthen local economies through surf tourism. With this mission in mind, Mami Wata is donating 100% of their proceeds to support two African surf therapy organizations, Waves for Change and Surfers Not Street Children. From the concert stage to the dressing room, from the recording studio to the digital realm, SPIN surveys the modern musical landscape and the culture around it with authoritative reporting, provocative interviews, and a discerning critical ear. With dynamic photography, bold graphic design, and informed irreverence, the pages of SPIN pulsate with the energy of today's most innovative sounds. Whether covering what's new or what's next, SPIN is your monthly VIP pass to all that rocks. A consumer's reference to green living counsels readers on how to identify truly eco-friendly products and includes reviews and advice for everything from home furnishings and appliances to toys and clothing. Original. A zany romp in the colliding worlds of an editor of a hip women's magazine, an ethically challenged Manhattan cosmetic surgeon, and recently paroled "medical terrorist" who calls herself "Wrinkles." In Session: Dr. Morgan Snow with Steve Berry's Cotton Malone, Lee Child's Jack Reacher & Barry Eisler's John Rain IN SESSION from international bestseller M.J. Rose, features the return of Dr. Morgan Snow, in a brand-new story collection! As a therapist specializing in sexual issues, psychiatrist Dr. Morgan Snow isn't easily shocked, or shaken, as readers of the popular "Butterfield Institute" novels know. There are times, however, when the need for her services leads her out of the office... and into unfamiliar worlds. In these stories the therapist matches her wits -and her training - against three men of mystery: Jack Reacher, John Rain, and Cotton Malone. Those characters are, of course, familiar to readers as the creations, respectively, of NYT bestselling authors Lee Child, Barry Eisler, and Steve Berry. All three swore that their characters would never agree to therapy - unless Rose found a way to get them there. And she did. In EXTENUATING CIRCUMSTANCES with Steve Berry's Cotton Malone, a woman seeks help for her lover, and sends Dr. Snow overseas on a most unusual house call.... DECISIONS, DECISIONS where Barry Eisler's John Rain forces Dr. Snow out of her own comfort zone, and into the world of a former patient's worst nightmare... And KNOWING YOU'RE ALIVE with Lee Child's Jack Reacher results in revelations for both the injured Dr. Snow, and her unexpected savior/patient... A share of the proceeds of the ebook will be donated to David Baldacci's Wish

You Well Foundation, supporting family literacy. (wishyouwellfoundation.org/) These characters are the creations, respectively, of NYT bestselling authors Lee Child, Barry Eisler, and Steve Berry, and are used with their full knowledge and participation. The perfect book to get readers up and running - by a major name in marathons. The Complete Idiot's Guide® to Running, Third Edition, offers instruction on developing ideal running techniques for personal fitness or competition. Through easy-to-follow steps designed to gradually build their abilities, readers learn how to choose reliable running gear and create an effective training and running program. ?Features expert tips on nutrition, reducing stress with exercise, avoiding and treating injuries, and entering 5K, 10K, and half and full marathons ?Provides basic training plans and illustrations of stretching positions, muscle diagrams, running apparel, and more

When the Nicholas Brothers danced, uptown at the Cotton Club, downtown at the Roxy, in segregated movie theatres in the South, and dance halls across the country, audiences cheered, clapped, stomped their feet, and shouted out uncontrollably. Their exuberant style of American theatrical dance--a melding of jazz, tap, acrobatics, black vernacular dance, and witty repartee--was dazzling. Though daredevil flips, slides, and hair-raising splits made them show-stoppers, the Nicholas Brothers were also highly sophisticated dancers who refined a centuries-old tradition of percussive dance into the rhythmic brilliance of jazz tap. In *Brotherhood in Rhythm*, author Constance Valis Hill interweaves an intimate portrait of these great performers with a richly detailed history of jazz music and jazz dance, both bringing their act to life and explaining their significance through a colourful analysis of their eloquent footwork, their full-bodied expressiveness, and their changing style. Hill vividly captures their soaring careers, from the Cotton Club appearances with Duke Ellington, Cab Calloway, and Jimmy Lunceford, to film-stealing big-screen performances with Chick Webb, Tommy Dorsey, and Glenn Miller. Drawing on a deep well of research and endless hours of interviews with the Nicholas brothers themselves, she also documents their struggles against the nets of racism and segregation that constantly enmeshed their careers and denied them the recognition they deserved. More than a biography of two immensely talented but underappreciated performers, *Brotherhood in Rhythm* offers a profound understanding of this distinctively American art and its intricate links to the history of jazz. Harlequin® Special Edition brings you three new titles for one great price, available now! These are heartwarming, romantic stories about life, love and family. This Special Edition box set includes: *HER SOLDIER OF FORTUNE* The Fortunes of Texas: The Rulebreakers by Michelle Major When Nathan Fortune returned home, he vowed to put the past behind him. But when Bianca, his best friend's little sister, shows up with her son, Nate finds that the past won't stay buried...and it threatens to snuff out the future Nate and Bianca now hope to build with each other. *JUST WHAT THE COWBOY NEEDED* The Bachelors of Blackwater Lake by Teresa Southwick Logan Hunt needs a nanny. What he gets is pretty kindergarten teacher Grace Flynn, whose desire for roots and a family flies right in the face of Logan's determination to remain a bachelor. Can Logan overcome his fears of becoming his father in time to convince Grace that she's exactly what he wants? *THE RANCHER AND THE CITY GIRL* Sweet Briar Sweethearts by Kathy Douglass Running for her life, Camille Parker heads to her sworn enemy, Jericho Jones, for protection. She may be safe from those who wish her harm, but as they both come to see their past presumptions proven incorrect, Camille's heart is more at risk than ever. Defines terms related to costume styles, the components of clothing, fabrics, and sewing techniques. *The History of World Dress and Fashion* presents a comprehensive survey of dress from around the world including China, Japan, India, Africa, the Islamic Empire, and the Ancient Americas. This extensive study features descriptions and analysis of men's, women's and children's clothing, accessories, and cultural styles from prehistory into the twenty-first century. Lavishly illustrated in color throughout, it features more than 1600 images - and is a valuable resource for fashion designers, theater costumers, textile researchers, costume collectors and curators, and anyone interest in clothing and style customs of the world. Successful costume design requires a solid foundation in general artistic principles and specific knowledge of how to apply those principles. Cunningham presents readers with just such a foundation and develops it to expose beginning costume designers to the myriad skills they need to develop in order to costume successful stage productions. She begins at the most basic conceptual level—reading plays from a costume designer's perspective. She then follows through with the practical considerations that must be considered at every stage of the costuming process—research, development, sketching, and costume construction. Cunningham has built on the long-standing success of the outstanding first edition with new figures and updates throughout the text, including 24 pages in full color. Examples have been selected from a wide range of stage productions representing a variety of designers, styles, and approaches. Interviews with award-winning designers from stage, film, and other media show the practical importance of the book's concepts. Every chapter incorporates material reflecting the ever-increasing impact of technology, especially computers, on costuming. [New to this edition is an ancillary download package \(available here\), giving students a selection of basic figure drawings to serve as the base layer for digital renderings, ready-made forms and checklists for assembling and organizing costumes for shows, and a list of research and reference websites with easily clickable links.](#) *The History of Men's Underwear and Swimwear* features a detailed, thoroughly illustrated chronology of the development and changing styles of these two “bare necessities” of masculine dress.

Interwoven throughout the study is also an examination of how these most intimate forms of men's clothing not only reflected society but also how the evolution of styles inexorably influenced social change, especially notions of masculinity, modesty, and erotic exhibitionism. In addition, Daniel Delis Hill looks at more than 100 years of the mass marketing of men's underwear and swimwear, especially the progression of visual presentation and the written message in the era of mass production and mass communication. Cover to cover, the second edition of *History of Men's Underwear and Swimwear* is richly illustrated in color throughout with over 200 period photos and artwork, many never published before. Based on lengthy interviews with Ellington's bandmates, family, and friends, *Duke Ellington and His World* offers a fresh look at this legendary composer. The first biography of the composer written by a fellow musician and African-American, the book traces Ellington's life and career in terms of the social, cultural, political, and economic realities of his times. Beginning with his birth in Washington, DC, through his first bands and work at the legendary Cotton Club, to his final great extended compositions, this book gives a thorough introduction to Ellington's music and how it was made. It also illuminates his personal life because, for Ellington, music was his life and his life was a constant inspiration for music. The Essential Guide to Motorcycle Travel offers essential advice to fully prepare them for traveling long distances over extended periods. Whether you are getting ready for a weekend trip beyond your home turf, or for a transcontinental odyssey lasting several years, Coyner's book details the fundamentals for riding in comfort, safety, and convenience. In three major sections, this book covers trip planning, rider preparation, and outfitting the motorcycle. This newest edition has been completely updated to reflect current information and the newest trends in mobile technology, as it relates to motorcycle touring. Coyner lays out the steps for planning a worry-free, fun trip, one that starts with the rider physically and mentally prepared. On the road, having good riding gear can make a dramatic difference in

comfort and safety as the weather changes from dry to wet, and from hot to cold. Coyner describes the important aspects of personal preparation and describes the major kinds of riding gear and how they work to control body temperature and moisture. As motorcycle technology has evolved, so have aftermarket accessories, which are made to address virtually every special need. Coyner shows you step-by-step how electrical modifications can be made, and provides specific sections on high-performance lighting and conspicuity, GPS and other cockpit instruments, entertainment and communication devices, cameras and camcorders, ergonomic enhancements, suspension improvements, luggage and storage additions, and trailers. Over 250 full-color photographs illustrate riding gear, accessories, and modifications that will make any motorcycle adventure the trip of a lifetime. This study of early sound shorts begins with an explanation of the development of sound motion pictures in Hollywood by such influential companies as Warner Bros and Fox, with an emphasis on short subjects. This document brings together a set of latest data points and publicly available information relevant Retail & Consumer Goods Industry. We are very excited to share this content and believe that readers will benefit from this periodic publication immensely. Men's fashion, particularly the trends involving undergarments, was once reserved for the elite; today it has become democratized, clear proof of social progress. The aestheticism of the body so highly valued by the Greeks seems to have regained a prominent place in the masculine world. Mirroring the evolution of society's values, the history of underwear also highlights the continuous, dancing exchange that exists between women's styles and men's fashion. Undergarments are concealed, flaunted, stretched or shortened, establishing a game between yesterday's illicit and today's chic and thereby denouncing the sense of disgrace that these simple pieces of clothing used to betray. In this work, Shaun Cole endeavours to re-establish for the first time, through well-researched socio-economic analysis, the importance of men's underwear in the history of costume from ancient times to today. A reflection of technological progress, this study is full of surprises and powerful reflections on man's relationship with his body. This guide, written by a parent for parents, is a perennial seller. Expanded and extensively revised in this sixth edition, it is the first, last, and only word for parents on choosing the best private and selective public schools for children. Including information on admissions procedures, programs, diversity, school size, staff, tuition, and scholarships, this essential reference guide lists over eighty elementary and high schools located in Manhattan and the adjacent boroughs, including special needs schools and selective public schools and programs. From the Trade Paperback edition. New York Times Bestseller! Now a NETFLIX original series Everyone has a memoir in miniature in at least one piece of clothing. In *Worn Stories*, Emily Spivack has collected over sixty of these clothing-inspired narratives from cultural figures and talented storytellers. First-person accounts range from the everyday to the extraordinary, such as artist Marina Abramović on the boots she wore to walk the Great Wall of China; musician Rosanne Cash on the purple shirt that belonged to her father; and fashion designer Cynthia Rowley on the Girl Scout sash that informed her business acumen. Other contributors include Greta Gerwig, Heidi Julavits, John Hodgman, Brandi Chastain, Marcus Samuelsson, Piper Kerman, Maira Kalman, Sasha Frere-Jones, Simon Doonan, Albert Maysles, Susan Orlean, Andy Spade, Paola Antonelli, David Carr, Andrew Kuo, and more. By turns funny, tragic, poignant, and celebratory, *Worn Stories* offers a revealing look at the clothes that protect us, serve as a uniform, assert our identity, or bring back the past, clothes that are encoded with the stories of our lives.
