Love, Anger, Madness Sep 06 2020 The only English translation of "a masterpiece" (The Nation)—a stunning trilogy of novellas about the soul-crushing cost of life under a violent Haitian dictatorship, featuring an introduction by Edwidge Danticat Originally published in 1968, Love, Anger, Madness virtually disappeared from circulation until its republication in France in 2005. Set in the barely fictionalized Haiti of "Papa Doc" Duvalier's repressive rule, Marie Vieux-Chauvet's writing was so powerful and so incendiary that she was forced to flee to the United States.

Yet Love, Anger, Madness endures. Claire, the narrator of Love, is the eldest of three daughters who surrenders her dreams of marriage to run the household after her parents die. Insecure about her dark skin, she fantasizes about her middle sister's French husband, while he has an affair with the youngest sister, setting in motion a complicated family dynamic that echoes the growing chaos outside their home. In Anger, the police terrorize a middle-class family by threatening to seize their land. The father insinuates that their only hope of salvation lies with an unspeakable act—his daughter Rose must prostitute herself—which leads to all-consuming guilt, shame, and rage. And finally, Madness paints a terrifying portrait of a Haitian village that has been ravaged by militants. René, a young poet, is trapped in his family's house for days with no food and becomes obsessed with the souls of the dead that surround him.

Anatomy: A Love Story Aug 25 2019 *INSTANT #1 NEW YORK TIMES BESTSELLER* *INSTANT #1 INDIE BESTSELLER* *INSTANT USA TODAY BESTSELLER* *A REESE'S YA BOOK CLUB PICK* "Schwartz's magical novel is at once gripping and tender, and the intricate plot is engrossing as the reader tries to solve the mystery. She doesn't miss a beat in either the characterization or action, scattering clues with a delicate, precise hand. This is, in the end, the story of the anatomy of the human heart." - Booklist (starred review) Dana Schwartz's Anatomy: A Love Story is a gothic tale full of mystery and romance. Hazel Sinnett is a lady who wants to be a surgeon more than she wants to marry. Jack Curren is a resurrection man who's just trying to survive in a city where it's too easy to die. When the two of them have a chance encounter outside the Edinburgh Anatomist's Society, Hazel thinks nothing of it at first. But after she gets kicked out of renowned surgeon Dr. Beecham's lectures for being the wrong gender, she realizes that her new acquaintance might be

more helpful than she first thought. Because Hazel has made a deal with Dr. Beecham: if she can pass the medical examination on her own, Beecham will allow her to continue her medical career. Without official lessons, though, Hazel will need more than just her books—she'll need corpses to study. Lucky that she's made the acquaintance of someone who digs them up for a living. But Jack has his own problems: strange men have been seen skulking around cemeteries, his friends are disappearing off the streets, and the dreaded Roman Fever, which wiped out thousands a few years ago, is back with a vengeance. Nobody important cares—until Hazel. Now, Hazel and Jack must work together to uncover the secrets buried not just in unmarked graves, but in the very heart of Edinburgh society.

Starvation Heights Aug 30 2022 In this true story—a haunting saga of medical murder set in an era of steamships and gaslights—Gregg Olsen reveals one of the most unusual and disturbing criminal cases in American history. In 1911 two wealthy British heiresses, Claire and Dora Williamson, arrived at a sanatorium in the forests of the Pacific Northwest to undergo the revolutionary “fasting treatment” of Dr. Linda Burfield Hazzard. It was supposed to be a holiday for the two sisters, but within a month of arriving at what the locals called Starvation Heights, the women underwent brutal treatments and were emaciated shadows of their former selves. Claire and Dora were not the first victims of Linda Hazzard, a quack doctor of extraordinary evil and greed. But as their jewelry disappeared and forged bank drafts began transferring their wealth to Hazzard's accounts, the sisters came to learn that Hazzard would stop at nothing short of murder to achieve her ambitions.

The Secret Lives of Dresses Mar 13 2021 Dora has always taken the path of least resistance. She went to the college that offered her a scholarship, is majoring in "vagueness studies," and wears whatever shows the least dirt. She falls into a job at the college coffee shop, and a crush on her flirty boss, Gary. Just when she's about to test Gary's feelings, Mimi, the grandmother who raised her, suffers a stroke. Dora rushes back home to Forsyth, NC, and finds herself running her grandmother's vintage clothing store. The store has always been a fixture in Dora's life; though she grew up more of a jeans-and-sweatshirt kind of girl, before she even knew how to write, Mimi taught her that a vintage 1920s dress could lift a woman's spirit. While working there, Dora befriends Mimi's adorable contractor, Conrad. Is he after Dora, or is working from a different blueprint? And why did Mimi start writing down--and giving away--stories of the dresses in her shop? When Mimi dies, Dora can't get out of town fast enough and cedes control of the store to her money-hungry aunt who wants to turn it into a t-shirt shop for tourists. But ultimately, she returns to Forsyth, willing to battle whatever may stand in the way of her staying there. Dora can trade her boring clothes for vintage glamour, but can she trade her boring life for one she actually wants?

Jane Austen Jan 23 2022 At her death in 1817, Jane Austen left the world six of the most beloved novels written in English—but her shortsighted family destroyed the bulk of her letters; and if she kept any diaries, they did not survive her. Now acclaimed biographer Claire Tomalin, author of *A Life of My Own*, has filled the gaps in the record, creating a remarkably fresh and convincing portrait of the woman and the writer. While most Austen biographers have accepted the assertion of Jane's brother Henry that "My dear Sister's life was not a life of events," Tomalin shows that, on the contrary, Austen's brief life was fraught with upheaval. Tomalin provides detailed and absorbing accounts of Austen's ill-fated love for a young Irishman, her frequent travels and extended visits to London, her close friendship with a worldly cousin whose French

husband met his death on the guillotine, her brothers' naval service in the Napoleonic wars and in the colonies, and thus shatters the myth of Jane Austen as a sheltered and homebound spinster whose knowledge of the world was limited to the view from a Hampshire village.

you're looking for a dark teen comedy that is the goth lovechild of Deadpool and Buffy, then look no further. The novels in this series are fast-paced, dogma-driven, satires that focus on an outcast teenage girl who uses witty banter and a spellbook to become a witch and travel to Hell and back. With light humour and a lot of lols along the way, this Sabrina-like heroine explores the horror of death and darkness in even the most heavenly places. ⚡️ ⚡️ An entertaining, humorous and romantic paranormal novel that kept me up past midnight because I couldn't put it down. ⚡️ ⚡️ When the demon lord you're dating takes you home to meet his undead family, and then you're forced to attend school in Hell, you know the romance is going to get a bit weird. This was a fun unearthly romp that will make you laugh out loud. The first story is a bit short, but it's also free. The stories aren't overly romantic, so they're great for older teenage boys and girls. ⚡️ ⚡️ Deliciously thrilling and wickedly silly from the grave and back! If you're tired of depressed heroines, then enjoy this feisty female protagonist as she travels on the road to Hell with nothing but her spells, soul chips and wits to keep her alive. ⚡️ ⚡️ A must-read series of sorcery, comedy, witches and demons. I can't wait for more new releases in this series. ⚡️ ⚡️

[A Place to Call Home](#) Jun 27 2022 ⚡️ Rarely will a book touch your heart like A Place to Call Home. So sit back, put up your feet, and enjoy. ⚡️ The Atlanta Journal and Constitution Twenty years ago, Claire Maloney was the willful, pampered, tomboyish daughter of the town's most respected family, but that didn't stop her from befriending Roan Sullivan, a fierce, motherless boy who lived in a

rusted-out trailer amid junked cars. No one in Dunderry, Georgia—least of all Claire’s family—could understand the bond between these two mavericks. But Roan and Claire belonged together . . . until the dark afternoon when violence and terror overtook them, and Roan disappeared from Claire's life. Now, two decades later, Claire is adrift, and the Maloneys are still hoping the past can be buried under the rich Southern soil. But Roan Sullivan is about to walk back into their lives. . . . Artificial Hells Mar 01 2020 This searing critique of participatory art—from its development to its political ambitions—is “an essential title for contemporary art history scholars and students as well as anyone who has . . . thought, “Now that’s art!” or “That’s art?”” (Library Journal) Since the 1990s, critics and curators have broadly accepted the notion that participatory art is the ultimate political art: that by encouraging an audience to take part an artist can promote new emancipatory social relations. Around the world, the champions of this form of expression are numerous, ranging from art historians such as Grant Kester, curators such as Nicolas Bourriaud and Nato Thompson, to performance theorists such as Shannon Jackson. Artificial Hells is the first historical and theoretical overview of socially engaged participatory art, known in the US as “social practice.” Claire Bishop follows the trajectory of twentieth-century art and examines key moments in the development of a participatory aesthetic. This itinerary takes in Futurism and Dada; the Situationist International; Happenings in Eastern Europe, Argentina and Paris; the 1970s Community Arts Movement; and the Artists Placement Group. It concludes with a

discussion of long-term educational projects by contemporary artists such as Thomas Hirschhorn, Tania Bruguera, Pawel Althamer and Paul Chan. Since her controversial essay in *Artforum* in 2006, Claire Bishop has been one of the few to challenge the political and aesthetic ambitions of participatory art. In *Artificial Hells*, she not only scrutinizes the emancipatory claims made for these projects, but also provides an alternative to the ethical (rather than artistic) criteria invited by such artworks. *Artificial Hells* calls for a less prescriptive approach to art and politics, and for more compelling, troubling, and bolder forms of participatory art and criticism.
