A Newbies Guide to iPad Pro, iPad Air 2 and iPad Mini 2 Feb 21 2022 This guide is designed for novices and advanced iPad/iOS users alike. The tips and instructions here are tailored to the three most recent iPad models - iPad Pro, iPad Air 2, and iPad Mini 4 - iOS 9, but you'll find plenty of relevant information for older iPad models and older versions of the iOS software. We've broken things down into six major parts. Part 1: Meet Your iPad will help you unpack the box, learn how to interact with your iPad, and breeze through the set up process. Part 2: Getting to Know Your iPad will introduce you to the basic features and navigational system of the device. Part 3: Mastering Your Preinstalled Apps will walk you through the twenty preinstalled apps in detail to help you master what's available right out of the box. Part 4: Making It Your Own guides you through customization and personalization. Part 5: Maintenance and Security will help you keep

your iPad healthy and safe. Finally, Part 6: Must-Have Apps for Your iPad includes a list of 49 of our favorite apps - we hope you like them as much as we do! There's a lot of information here, and don't feel like you need to absorb it all at once. Think of this guide as a friendly support system for you as you learn to use and enjoy this incredible technology. If you're new to iPad or to iOS, start by reading through Parts 1 and 2. They should get you on your feet. Be sure to look at Part 5 to learn how to care for your new iPad. You may want to use Parts 3, 4, and 6 as reference material. Rather than reading them straight through from start to finish, browse the table of contents for the information most helpful to you. These chapters will also be helpful for experienced users who want to get the most out of iPad and iOS 9.

The iPad iOS 9 Quick Starter Guide Aug 18 2021 If you believe some news stories, the latest iPad update (iOS 9) is radically different and you should beware of updating! They're wrong! This book is for both new users of iPad and those upgrading to the latest update. I'll walk you through the changes and show you why updating is nothing to be afraid of. The iPad doesn't come with a handbook / user guide, but don't believe other handbooks that tell you that's why you need to buy their handbook! iPad does have a handbook! So why do you need this book? This book was written for my parents; people who needed to know as much as possible, as quickly as possible. There are people who want to know every single little detail about the iPad, and you will find that in Apple's comprehensive manual; but if you are like my parents—new to the iPad and just want to learn all the basics in about 30 minutes or an hour, then this guide will help you—people who just want to know how to add their contacts, take photos, and email. It's not for advance users, although if you are upgrading from the previous Apple iOS (iOS 8) you will probably find it useful. If you are ready to learn, then read on!
