Why do you believe what you believe? You've been lied to. Probably a lot. We're always stunned when we realize we've been deceived. We can't believe we were fooled: What was I thinking? How could I have believed that? We always wonder why we believed the lie. But have you ever wondered why you believe the truth? People tell you the truth all the time, and you believe them; and if, at some later point, you're confronted with evidence that the story you believed was indeed true, you never wonder why you believed it in the first place. In this incisive and insightful taxonomy of lies and liars, New York Times bestselling author Aja Raden makes the surprising claim that maybe you should. Buttressed by history, psychology, and science, *The Truth About Lies* is both an eye-opening primer on con-artistry—from pyramid schemes to shell games, forgery to hoaxes—and also a telescopic view of society through the mechanics of belief: why we lie, why we believe, and how, if at all, the acts differ. Through wild tales of cons and

marks, Raden examines not only how lies actually work, but also why they work, from the evolutionary function of deception to what it reveals about our own. In her previous book, Stoned, Raden asked, “What makes a thing valuable?” In The Truth About Lies, she asks “What makes a thing real?” With cutting wit and a deft touch, Raden untangles the relationship of truth to lie, belief to faith, and deception to propaganda. The Truth About Lies will change everything you thought you knew about what you know, and whether you ever really know it. For fans of Christina Lauren and Jodi Ellen Malpas comes the next novel in M. O’Keefe’s breathtakingly sexy series about a woman called into a journey of the heart, body, and soul. We played our roles, told each other lies. But now Dylan is no longer just a mysterious deep voice on the other end of the line. We’re face-to-face and our relationship is very, very real. We still have secrets—but so much is crystal clear: The thrilling danger. The raw, naked desire. The need to keep feeling the way he makes me feel. Forever. Dylan is putting up walls, trying to keep me safe, but he can’t shut me out. He has seen my darkness and rescued me. Now it’s my turn, if only he will let me. Praise for The Truth About Him “M. O’Keefe blew me away with The Truth About Him, the conclusion to the dark, emotional, and dangerously sexy story of Annie and Dylan that began with the brilliant Everything I Left Unsaid. Wonderfully compelling and absolutely one-click worthy, this duet by M. O’Keefe is tops of my 2015 favorites list!”—New York Times bestselling author J. Kenner “The Truth About Him is one of the most gorgeous books I’ve ever read. Dark, sexy and emotionally haunting, it has stayed with me long after I turned the last page.”—New York Times bestselling author Tracy Wolff “O’Keefe weaves a complex, poignant tapestry of character, emotion, and action.”—Kirkus Reviews “O’Keefe composes riveting scenarios. . . . Readers seeking exhilarating sex along with thrilling conflicts won’t be able to put it down.”—Publishers Weekly “The conclusion to O’Keefe’s dark and spellbinding . . . Everything I Left Unsaid jumps off the cliff into a raging sea of passion and danger as she continues to push our couple through the darkness that consumes them. . . . Suspense and intrigue play a larger role, with the romance flowing right along . . . as Dylan and Annie fight to hold on to the love they have built.”—RT Book Reviews “I loved the way this

couple fit together, the way they understood each other. . . . The Truth About Him is a worthy sequel to Everything I Left Unsaid, with a similarly thoughtful and nuanced portrayal of the main characters. . . . The romance is emotional, surprising, and moving. . . . Together the two books make a beautiful, smart whole, and I recommend them both.”—Dear Author “Every choice, every reaction, every emotion plays out on the page as the couple stumbles forward, only to jump back two steps, driven by fear and lust and vulnerability. The unflinchingly realistic events make their reactions hit hard. And carrying it all is O’Keefe’s beautiful language. . . . Dylan and Annie painfully ripped my heart out and then put it back together again. Now excuse me, I have a book to reread.”—Heroes and Heartbreakers “The drama was out of control, as was the heat between Annie and Dylan, in this explosive conclusion. . . . O’Keefe has yet again given us a dark-yet-hopeful romance that will keep you on the edge of your seat.”—Harlequin Junkie “Raw [and] emotional, with an amazing heroine and a cast of characters that give this book an exciting edge. Grade: A”—Smexy Books

The Truth About Him is intended for mature audiences. Presents advice for readers on how they can identify their greatest strengths and weaknesses and how this knowledge can be utilized to achieve greater personal and professional success. Prescriptions, how-to's, self-help, guru's, mental hacks, psychology, motivation, and the like, are things that are fundamentally unserious. They are things that move humans away from Truth. For they approach all matters from the standpoint of a "fix." The Truth is a path away from all fixes. And away from all chases. It is for the one who is Serious. It is for the one who is Sincere. This book is for but a handful of individuals in the world. Those with a rarest form of DNA. The DNA to arrive at the Direct Truth in all things. So that they may put an end to all chases. So that they may walk life's Final Mile. And come to possess the things that they have called by various other names. Truth: Penn Walker entered my life like a summer storm-dark, ominous, and filled with thunder. After witnessing my husband's murder, I didn't have much of a heart left to offer a man. But Penn took it all. Every jagged shard. Every broken bit. Even the dirty and twisted pieces that I wish never existed. Lie: I didn't need him to save me. Lie: I knew exactly who he was. Lie: Losing him wouldn't destroy me. But

that's the thing about lies-you never know who to believe. The Truth about Christianity explores the irreconcilable differences between the Christian faith and those who challenge the Bible as a book of myths and fairy tales. Most people believe modern science has rendered belief in Scripture as ingenuousness. Christians vehemently fight that label. Pragmatically though, the truth can be determined using reason, logic, and indisputable science. Deceived uses these paradigms to guide to the inevitable conclusion about which worldview can be supported by the facts and not a person's own personal preconceptions, something everyone has, whether they wish to admit it or not. A person's bias and beliefs cloud judgment when subjected to another worldview. It is only through stringent analysis that a person can objectively weigh the evidence to see whether or not it passes the tests of reason, practice, and experience. Then and only then can the truth be known. After reading Deceived you will know whether or not your worldview is supported by the unadulterated facts. This is the first of many books I plan to write about "The truth about the Truth". This book series will focus on FACTUAL information regarding what the Bible says about itself as well as what extra-Biblical sources say about the Bible. The primary purpose of this book series is to get to the root of THE Truth. The ONLY way to do that is to look at FACTUAL information that has been presented from multiple sources (both within the Bible and outside of the Bible) to determine what the FACTS are regarding various topics that are important to the human race. If you have a topic you'd be interested in learning about that I haven't covered already in a book, please find me on social media using @DrJonCasteel or feel free to email me at DrJonCasteel@Gmail.com. A vividly imagined story about the importance of telling the truth, even if it means losing something you love. When Jesse finds a toy horse and makes it his very own, his imagination runs wild. This horse is the fastest horse in the whole world, so Jesse names him Wind. He can't wait to race him across the prairie (the kitchen table) and over deep canyons (the bathtub). There's just one problem: Wind doesn't actually belong to Jesse. He was left behind accidentally by his real owners. And though at first Jesse is full of joy as he plays with Wind, soon he starts to feel uneasy—Jesse knows Wind's real owners must miss him. But how can Jesse explain to his mother

exactly where Wind came from? And is there a way to make everything okay again? The Truth About Wind is a dynamic story about the courage it takes to face up to a lie, brought to life by a trio of celebrated creators. "This one's worth reading. Trust me." —Daniel Gilbert, PhD, bestselling author of Stumbling on Happiness Issues of trust come attached to almost every human interaction, yet few people realize how powerfully their ability to determine trustworthiness predicts future success. David DeSteno's cutting-edge research on reading trust cues with humanoid robots has already excited widespread media interest. In *The Truth About Trust*, the renowned psychologist shares his findings and debunks numerous popular beliefs, including Paul Zak's theory that oxytocin is the "moral molecule." From education and business to romance and dieting, DeSteno's fascinating, paradigm-shifting book offers new insights and practical takeaways that will forever change how readers understand, communicate, and make decisions in every area of life. How can you write other people's stories, when you won't admit the truth of your own? A critically acclaimed, absorbing, moving, ruefully tender, witty and wise novel of marriage, motherhood and the paths we navigate through both, for fans of Ann Patchett and Anne Tyler. 'I loved *The Truth About Her*. It's an intelligent, compelling, nuanced tale of guilt, culpability, pride, shame and atonement. But most of all, it's a love letter to daughters, from the mothers who raise them. An astoundingly good debut.' Annabel Crabb Journalist and single mother Suzy Hamilton gets a phone call one summer morning, and finds out that the subject of one of her investigative exposes, 25-year-old wellness blogger Tracey Doran, has killed herself overnight. Suzy is horrified by this news but copes in the only way she knows how - through work, mothering, and carrying on with her ill-advised, tandem affairs. The consequences of her actions catch up with Suzy over the course of a sticky Sydney summer. She starts receiving anonymous vindictive letters and is pursued by Tracey's mother wanting her, as a kind of rough justice, to tell Tracey's story, but this time, the right way. A tender, absorbing, intelligent and moving exploration of guilt, shame, female anger, and, in particular, mothering, with all its trouble and treasure, *The Truth About Her* is mostly though a story about the nature of stories - who owns them, who gets to tell them, and why we

need them. An entirely striking, stylish and contemporary novel, from a talented new writer. PRAISE FOR THE TRUTH ABOUT HER 'Heartfelt, funny and will resonate with many readers. This tender, witty and beautifully written novel is for fans of Georgia Blain, Charlotte Wood and Ann Patchett.' Books+Publishing 'An intimate world filled with characters I could have lived with a great deal longer... rewarding, enjoyable and utterly addictive.' Readings 'A stunning novel, sharply observed, beautifully written, enthralling.' Julia Baird 'Read the first sentence of Jacqueline Maley's debut novel, and you will be in it until the end. Electrifying, deeply unsettling and so, so satisfying. And, if you've ever tried to manage the sharp end of a career with the blunt demands of parenthood, fiercely recognisable.' Meg Mason, author of Sorrow and Bliss 'I loved The Truth About Her. I could not put it down - whip-smart, sexy and with so much heart - and god, that ending packed a punch. The sort of book that all mothers need to read.' Eliza Henry-Jones, author of In the Quiet and Ache Named one of the best YA Latinx books of 2019 by Remezcla and HipLatina. A Bustle Book Club Selection A powerful exploration of love, identity, and self-worth through the eyes of a fierce, questioning Puerto Rican teen. Fifteen-year-old Verdad doesn't think she has time for love. She's still struggling to process the recent death of her best friend, Blanca; dealing with the high expectations of her hardworking Puerto Rican mother and the absence of her remarried father; and keeping everyone at a distance. But when she meets Danny, a new guy at school—who happens to be trans—all bets are off. Verdad suddenly has to deal with her mother's disapproval of her relationship with Danny as well as her own prejudices and questions about her identity, and Danny himself, who is comfortable in his skin but keeping plenty of other secrets. In her luminous, raw, and open-hearted exploration of identity, grief and first love, NoNieqa Ramos has created an unforgettable character in Verdad. The Truth Is offers a complex look at a brilliant, queer, neurodifferent girl, the mother who loves but doesn't understand her, and a fabulously drawn group of street kids who can't save themselves but just might save her. A brilliantly written breathtaking book. I couldn't put it down! —Michelle Ruiz-Keil, author of All of Us with Wings A brilliant, beautiful, moving story of ecstasy and loss

and tragedy and hope, The Truth Is demands to be read. The fast-moving plot bristles with literary and classical references, but the deepest insights—and there are plenty—come from the unforgettable observations and conclusions of its main character, Verdad de la Reyna, an unforgettably brave and complicated heroine who confronts profoundly disturbing, real-world challenges with the help of friends, both present and past. Nonieqa Ramos follows up The Disturbed Girl's Dictionary with another superb novel guaranteed to break the reader's heart before trying to mend it."

—Tom Wilinsky and Jen Sternick, authors of Snowsisters NoNieqa Ramos's un-flinching voice and writing style continues to cement her as a force to be reckoned with in the YA world. —Mia García, author of The Resolutions

"The truth about Alicia was that she wasn't that stable to begin with. So when she did what she did, no one was very surprised. Still it was shocking, the way she followed them from the hardware store to the woman's house, the way she broke the sliding glass door with the tire jack, the way she found them in bed. It was more than she could take, her being seven months pregnant and all. It only took two shots. . . ." Alicia is not the only woman with problems. In these stories about contemporary and traditional Latinas, Ana Consuelo Matiella uses sensitivity and wit to address issues faced by women of color and women everywhere—issues largely having to do with love: between men and women, mothers and daughters, women and friends. In engaging stories about family myths, gossip, and lies, comadres converse over afternoon café con leche. "I'm sure that I was the only wife whose husband was teaching their daughter to do Cheech Marin imitations," remarks one of Matiella's characters. Another sings the praises of the chocolate milkshake diet: "That's one advantage of living on the border. You get to try all the latest gringo inventions as soon as they hit the streets." Through encounters with angels, conversations with dogs, and relationships with men overly concerned with the dimensions of their manhood, Matiella offers a new exploration of the human condition—none showing us that if we cannot laugh at life, no matter how tragic the circumstances, we are surely doomed. With humor and insight that come only through close observation of her fellow human beings, this gifted writer brings new twists to familiar scenes. The Truth about Alicia and Other Stories is an authentic portrayal

of the world of contemporary Chicanas that will delight everyone who enters it. THE 2.5 MILLION COPY SELLING WORLDWIDE PHENOMENON MEN WILL DENY IT, WOMEN WILL DOUBT IT. I BEG YOU FOR YOUR FORGIVENESS IN ADVANCE . . . The Game recounts the incredible adventures of an everyday man who transforms himself from a shy, awkward writer into the quick-witted, smooth-talking Style, a character irresistible to women. But just when life is better than he could ever have dreamed, he falls head over heels for a woman who can beat him at his own game. Jaw-dropping and hilarious, The Game reveals the naked truth about sex, love, relationships - and getting exactly what you want. Lucy Green thought she had her senior year in the bag. Cute boyfriend? Check. College plan? Check. But when her boyfriend dumps her the week before school starts and she literally stumbles into Dov, the new Israeli transfer student, on her first day of school, Lucy's carefully mapped-out future crumbles. Determined to have a good senior year, and too busy trying to hold her family together while her mom is across the country working, Lucy ignores the attraction she feels to Dov. But soon, Lucy and Dov's connection is undeniable. Lucy begins to realize that sometimes, you have to open yourself up to chance. Even if the wrong person at the wrong time is a boy whose bravery you admire and who helps you find your way back to yourself. Discover the burning secrets of St. Thérèse's soul. Thérèse of Lisieux, an intense soul living a life of heroic grandeur amidst dull and all-too-worldly associates, a soul driven by a burning love of God even as she wrestled privately with great physical and emotional pain — that, shows Ghéon, is what lay behind her smile. Thérèse is the saint most fitted for our day, a model for those of us whom, whether we like it or not, God has called to hidden lives of quiet drama, desire, and holy sacrifice. Originally published: New York, Arcade Pub.: The truth book: escaping a childhood of abuse among Jehovah's Witnesses: a memoir, 2005. The New York Times bestselling author of The Wait and "spiritual teacher for our times" (Oprah Winfrey) frankly and openly explores why men behave the way they do and what everyone—men and women alike—need to know about it. We hear it all the time. Men cheat. Men love power. Men love sex. Men are greedy. Men are dogs. But is this really the truth about men? In this groundbreaking

book, DeVon Franklin dishes the real truth by making the compelling case that men aren't dogs but all men share the same struggle. He provides the manual for how men can change, both on a personal and a societal level by providing practical solutions for helping men learn how to resist temptation, how to practice self-control, and how to love. But The Truth About Men isn't just for men. DeVon tells female readers everything they need to know about men. He offers women a real-time understanding of how men's struggles affect them, insights that can help them navigate their relationships with men and information on how to heal from the damage that some misbehaving men may have inflicted. This book is a raw, informative, and accessible look at an issue that threatens to tear our society apart yet it offers a positive way forward for men and women alike. NO MORE GAMES. IT'S TIME FOR THE TRUTH. Neil Strauss made a name for himself advocating freedom, sex and opportunity as the author of The Game. Then he met the woman who forced him to question everything. Neil's search for answers took him from Viagra-laden free-love orgies to sex addiction clinics, from cutting-edge science labs to modern-day harems, and, most terrifying of all, to his own mother. What he discovered changed everything he knew about love, sex, relationships and, ultimately, himself. The Truth may have the same effect on you. "I tied you up because I need you to listen," Derek says. "Focus." "Please... W-what do you want from me?" "The truth," he says. "About what happened the night my brother died." He reaches for my left hand. "If I think you're lying..." With his other hand, he flourishes a pair of flower cutters. Curved. Sharp. And he smiles. When Chris wakes up in a dark basement tied to a chair, he knows that he's trapped-and why. Eight nights ago a burglar broke into Chris' home. Eight nights ago Chris did what he had to do to protect his family. And eight nights ago a 13-year-old runaway bled to death on his kitchen floor. Now Derek wants the truth about what happened that night. He wants proof his little brother didn't deserve to die. For every lie Chris tells, he will lose a finger. But telling the truth is far more dangerous... A riveting, edge-of-your-seat thriller from Edgar Award-nominated author Jeffrey W. Johnston that explores the gray area between what is right and what we'll do to protect the people we love. What would happen if you admitted you

weren't a good person? It's a seemingly crazy question. From priests to prisoners, nearly everyone thinks they're morally better than average. Why change our minds? Why admit the truth about ourselves? In his conversational, fun-to-read, and delightfully self-effacing style, Brant Hansen shows us why we should fight our drive to be self-righteous: it's breathtakingly freeing. What's more, just admitting that we're profoundly biased toward ourselves and want desperately to preserve our "rightness" at all costs even helps us think better, make better decisions, be better listeners, and improve our relationships with God and others. Hansen draws from biblical insight and the work of everyone from esteemed social psychologists to comedians to make his point: the sooner we get over ourselves, give up the "I'm good" internal dialogue, and admit the truth, the sooner we can live a more lighthearted, fruitful, fun-loving life. This book is about the freedom of childlike humility. After all, as Hansen writes, the humble life is truly your best one. From the award-winning and New York Times bestselling author of *Once and for All Expect the unexpected*. Macy's got her whole summer carefully planned. But her plans didn't include a job at Wish Catering. And they certainly didn't include Wes. But Macy soon discovers that the things you expect least are sometimes the things you need most. "Dessen gracefully balances comedy with tragedy and introduces a complex heroine worth getting to know." —Publishers Weekly Sarah Dessen is the winner of the Margaret A. Edwards Award for her contributions to YA literature, as well as the Romantic Times Career Achievement Award. Books by Sarah Dessen: *That Summer Someone Like You Keeping the Moon Dreamland This Lullaby The Truth About Forever Just Listen Lock and Key Along for the Ride What Happened to Goodbye The Moon and More Saint Anything Once and for All "Homeschooled"* teenager Lark secretly attends high school, against the wishes of her conspiracy-theorist-Doomsday-prepping parents. A saga of the Cuban-American Morejon family's experiences in New York City and Tampa's Ybor City *Age is just a number. Just like he's just a boy and I'm just a girl. Except that's not true, is it? Because fifteen may be a number, but it's bigger than that. Bigger than us. It's a number that separates us. An excuse that keeps us apart. But I'm not willing to give in until I get what I want. After all, how many other girls*

can bring a grown man to his knees with one little smile? More than 30 contributors, including Umberto Eco and Vaclav Havel, examine the reinterpretation of traditional cultural beliefs and symbols Filmed on location in the Holy Land, Jesus: the Way, the Truth, and the Life is a new and fresh look at Jesus -- who he is, what he is really like, what he taught, and what he did for our salvation. This encounter with Christ will inspire and empower you to center your entire life around him as you come to know and love him in an ever-deeper and more intimate way. We live, now more than ever before, in a world made of markets. How do they work? Why do they work? Why are they better than alternative systems of organizing economics? And why, sometimes, do they fail so catastrophically? This accessible book explains the big questions of contemporary economics. John Kay uses storytelling to show that markets cannot be detached from the societies in which they are based. Brianna Wiest's first book The Truth About Everything was released July 10, 2013, and went on to be one of the best selling books on Amazon for two straight years. To commemorate the book's success, we are re-releasing the title with a new cover and updated introduction. Life is an uncertain morphing of the beautiful and devastating, the reckless and ordained, the inconsequential and cataclysmal. In this first compilation of her work, Brianna Wiest writes about her own experiences uncovering the life's greatest truths. The selected pieces are ones you'll turn to when you are in need of answers, comfort or a little tough love. Brianna writes from a place of solace and understanding, as "The Truth About Everything" asks you to challenge what you thought to be true, take the spiritual journey, and come out on the other end with your own story to tell. "How do we navigate the moments of life with wisdom beyond our years and face the temptations of our hearts with courage and resolve? In The Truth about Lies, Tim leads us into a new place, setting a new framework for how to live and how to live well. If you're ready to take the journey, I can't think of a better guide." John Mark Comer, pastor of teaching and vision for Bridgetown: A Jesus Church, and author of Loveology Temptation isn't merely about winning or losing a battle. It's about discovering who you truly are. And what matters most. On a daily basis, we are all tempted to enjoy the gifts of this world while making the

Giver optional or irrelevant in our quest for life. But what if, in God's purposes, temptation is not merely an obstacle to overcome but an opportunity to flourish in faith? Living in the truth exposes lies and turns moments of temptation into character-shaping opportunities, powerfully displaying our true identity as followers of Jesus. The New York Times bestselling style guide from the cohost of What Not to Wear It's clear why Women's Wear Daily hails Stacy London as "the Dr. Phil of fashion." Since 2002, she's transformed hundreds of guests on TLC's hit show What Not to Wear. But London has more than just impeccable taste. She has a gift for seeing the core emotional issues behind a disastrous wardrobe. By sharing her own struggle with self-esteem, London illustrates how style develops confidence. Including invaluable fashion tips, advice, and a revelatory makeover section, The Truth About Style is for London's legion of fans—and everyone who longs to enhance and celebrate the body she has. "This powerful novel takes an honest, unflinching look at the challenges of modern parenthood from both sides of a marriage." - Tracey Lange, New York Times bestselling author of We Are the Brennans A heartfelt debut that explores the complexity of a modern-day marriage when a new mother vanishes one morning and her husband must retrace events of their recent past to bring her home. Love isn't something that happens to you; it's something you must choose every day. From the moment Ben and June met in a hospital waiting room on New Year's Eve, their love has seemed fated. Looking back at all the tiny, unlikely decisions that brought them together, it was easy to believe their relationship was special. But now, after several years of marriage, June is struggling as a new mom. At times, she wonders about the life she didn't choose—what might have been if she hadn't given up the lead role in a famous ballet to start a family. Feeling like a bad mom and more alone than ever, she writes to her deceased mother, hoping for a sign of what she should do next. One morning, Ben wakes to the sound of his baby and quickly realizes that June is gone, along with her suitcase. As Ben attempts to piece together June's disappearance, her new friends mention things he knows nothing about—a mysterious petition, June's falling-out with another mom, her strange fixation on a Greek myth. The more Ben uncovers about June, the more he realizes how little he actually

knows her. And now the only way to bring June home is to understand why she left. Told through alternating perspectives of husband and wife, The Truth About Ben and June is a witty and wise page-turner about life's many crossroads and a heartfelt reminder that we create our own destiny. "Filled with practical and particular information on questionable rumors, mysterious happenings, and events. Including political figures and their histories, local destinations and the events that made them what they are, the origins of ostensible hauntings and unbelievable myths, and fast facts on some of today's most popular technologies."--Amazon.com

Christians and non-Christians alike are encountering angelic beings more than ever, but what does Scripture say about the appearance of angels? In this revision of his eye-opening book, Terry Law presents fascinating biblical truths about both God's angels and evil angels, while exposing false and dangerous teachings that use New Age techniques to contact these powerful beings. Exploring many real-life stories of experiences with angels, Law believes there is an increase in angelic activity because the world is on the brink of the greatest revival and the most cataclysmic events in the history of mankind. The Truth About Angels will answer: - What are angels, and where did they come from? - Are angels appearing more frequently around the world? - Do you have a guardian angel? - Are angels involved in healings or the working of miracles? - How do angels and the Holy Spirit work together? NEW YORK TIMES BESTSELLER • From the co-author of The Guernsey Literary and Potato Peel Pie Society comes a wise, witty, and exuberant novel, perfect for fans of Lee Smith, that illuminates the power of loyalty and forgiveness, memory and truth, and the courage it takes to do what's right. Annie Barrows once again evokes the charm and eccentricity of a small town filled with extraordinary characters. Her new novel, The Truth According to Us, brings to life an inquisitive young girl, her beloved aunt, and the alluring visitor who changes the course of their destiny forever. In the summer of 1938, Layla Beck's father, a United States senator, cuts off her allowance and demands that she find employment on the Federal Writers' Project, a New Deal jobs program. Within days, Layla finds herself far from her accustomed social whirl, assigned to cover the history of the remote mill town of Macedonia, West Virginia, and destined,

*in her opinion, to go completely mad with boredom. But once she secures a room in the home of the unconventional Romeyn family, she is drawn into their complex world and soon discovers that the truth of the town is entangled in the thorny past of the Romeyn dynasty. At the Romeyn house, twelve-year-old Willa is desperate to learn everything in her quest to acquire her favorite virtues of ferocity and devotion—a search that leads her into a thicket of mysteries, including the questionable business that occupies her charismatic father and the reason her adored aunt Jottie remains unmarried. Layla’s arrival strikes a match to the family veneer, bringing to light buried secrets that will tell a new tale about the Romeyns. As Willa peels back the layers of her family’s past, and Layla delves deeper into town legend, everyone involved is transformed—and their personal histories completely rewritten. Praise for *The Truth According to Us* “As delightfully eccentric as Guernsey yet refreshingly different . . . an epic but intimate family novel with richly imagined characters . . . Willa’s indomitable spirit, keen sense of adventure and innate intelligence reminded me of two other motherless girls in literature: Scout Finch in Harper Lee’s *To Kill a Mockingbird* and Flavia de Luce in Alan Bradley’s big-hearted British mystery series.”—*The Washington Post* “*The Truth According to Us* has all the characteristics of a great summer read: A plot that makes you want to keep turning the pages; a setting that makes you feel like you’re inhabiting another time and place; and characters who become people you’re sad to leave behind—and thus who always stay with you.”—*Miami Herald* “It takes a brave author to make the heroine of a new novel an observant and feisty girl . . . like Scout Finch in *To Kill a Mockingbird*. . . . But Barrows . . . has created a believable and touching character in Willa.”—*USA Today* “[A] heartwarming coming-of-age novel [that] sparkles with folksy depictions of a tight-knit family and life in a small town . . . full of richly drawn, memorable characters.”—*The Seattle Times* “A big, juicy family saga with warm humor and tragic twists . . . The story gets more and more absorbing as it moves briskly along.”—*St. Louis Post-Dispatch* “Annie Barrows leaves no doubt that she is a storyteller of rare caliber, with wisdom and insight to spare. Every page rings like a bell.”—Paula McLain, author of *The Paris Wife* A powerful and gripping contemporary YA from the author of *I’m Not**

Her that's "Just right for fans of Sarah Dessen and Jodi Picoult."-Booklist

The truth is that Jess knows she screwed up. She's made mistakes, betrayed her best friend, and now she's paying for it. Her dad is making her spend the whole summer volunteering at the local soup kitchen. The truth is she wishes she was the care-free party-girl everyone thinks she is. She pretends it's all fine. That her "perfect" family is fine. But it's not. And no one notices the lie...until she meets Flynn. He's the only one who really sees her. The only one who listens. The truth is that Jess is falling apart and no one seems to care. But Flynn is the definition of "the wrong side of the tracks." When Jess's parents look at him they only see the differences-not how much they need each other. They don't get that the person who shouldn't fit in your world... might just be the one to make you feel like you belong. Winner of the Children's Choice Book Awards' Teen Choice Debut Author Award

Everyone knows Alice slept with two guys at one party. When Healy High star quarterback, Brandon Fitzsimmons, dies in a car crash, it was because he was sexting with Alice. Ask anybody. Rumor has it Alice Franklin is a slut. It's written all over the "slut stall" in the girls' bathroom: "Alice had sex in exchange for math test answers" and "Alice got an abortion last semester." After Brandon dies, the rumors start to spiral out of control. In this remarkable debut novel, four Healy High students tell all they "know" about Alice--and in doing so reveal their own secrets and motivations, painting a raw look at the realities of teen life. But in this novel from Jennifer Mathieu, exactly what is the truth about Alice? In the end there's only one person to ask: Alice herself. This title has Common Core connections. Sooner or later, most of us find ourselves facing moral, social, ethical and biblical situations that command our attention. These situations can affect our family, friends, neighbors or others. In an easy to understand manner, Don Blackwell presents a compelling and informative answer from a biblical and practical standpoint. Topics include: Tattoos, Gambling, Drinking, Dancing, Lying, Modesty, Pornography, Marriage and Divorce, and What must I do to be saved?
