Published anonymously in 1824, this gothic mystery novel was written by Scottish author James Hogg. The Private Memoirs and Confessions of a Justified Sinner was published as if it were the presentation of a century-old document. The unnamed editor offers the reader a long introduction before presenting the document written by the sinner himself. In a future world, only one man dares to think, strive, and love as an individual in the midst of a paralyzing collective humanity. Lewis, Matthew Gregory is a famous British novelist and playwright. The Monk: A Romance is his most famous so called "gothic novel" that he wrote only in ten days. Ambrosio, once an exemplary Spanish monk, is passionate about his student: there is a beautiful woman Matilda under the monk robe. After his passion is satisfied he shifts his attention to an innocent Antonia. With Matilda's help he rapes and kills the young woman. Later it is discovered that Antonia was hid sister and Matilda is Satan's messenger whose aim was to seduce the devout hermit and lead him to the sin. In the end, he falls under inquisition, but... Mehr als 400 Jahre lang erlitten schwarzafrikanische Männer, Frauen und Kinder während des transatlantischen Sklavenhandels schlimmste Formen der Versklavung und Erniedrigung durch Katholiken und das westliche Christentum. Damals wie heute glaubte niemand an die tiefe Verwicklung der Kirche und des Papsttums in den schwarzafrikanischen Holocaust. Trotz jüngster Behauptungen des päpstlichen Officiums in Rom, wonach die Päpste jegliche Form von Sklaverei verurteilten, so auch im Falle der Versklavung von Schwarzafrikanern, verweisen neuere Studien innerhalb dieses Forschungsfeldes auf das Gegenteil. Die Kirche und die Päpste nahmen vielmehr zentrale Rollen in diesem schlimmsten Verbrechen gegen die Schwarzafrikaner seit Beginn der schriftlichen Dokumentation ein. Mithilfe zahlreicher päpstlicher Bullen aus den Geheimarchiven des Vatikans und einer Vielzahl an königlichen Dokumenten aus dem portugiesischen Nationalarchiv in Lissabon, strebt der vorliegende Band eine kritische und analytische Untersuchung dieses Aspekts des transatlantischen Sklavenhandels an, der über so viele Jahre von den westlichen Historikern und Gelehrten verschleiert wurde. For over 400 years, Black African men, women and children suffered the worst type of enslavement and humiliation from the hands of Catholics and other Western Christians during the transatlantic slave trade. Before now, no one could ever believe that the Popes of the Church were deeply involved in this Holocaust against Black African people. Despite the claims made by the hallowed papal office in Rome in recent years that the Popes condemned the enslavement of peoples wherever it existed including that of Black Africans, recent researches in these fields of study have proved the contrary to be true. The Church and her Popes were rather among the major “role players” in this worst crime against Black Africans in recorded history. With the help of a considerable number of papal Bulls from the Vatican Secret Archives and a great amount of Royal documents from the Portuguese National Archives in Lisbon, the present book is aiming to undertake a critical and analytical inquiry of this aspect of the transatlantic slavery that has been kept in the dark for so many years by the Western historians and scholars. The results of this studious but

fruitful academic inquiry are laid bare in this notable work of the 21st century. At present, he is a research fellow in the areas of African Church History and Enslavement of peoples as well as the pastor in charge of the merged parishes of Lauchheim, Westhausen, Lippach, Röttingen and Hülen in Germany. From the Blackest Cloud begins with a young, postWorld War II couple, floating on the proverbial Cloud 9. Their hopes and dreams are to fulfill a dual commitment in lifeto have a family, and to provide a home for them. The billowy, white cloud is overshadowed by a touch of gray as anxiety grows concerning a second pregnancy and the birth of Dorothy (Dottie) Lynn. When she is hospitalized for the third time in six months, an anguished mother pleads, Please God, let her live. At home once more, Dottie does not develop at a normal pace. Her parents ask themselves, What did we do? How did this happen? Why our child? Why us? Fear and guilt take hold. They search for answers, and are stymied at every turn as they struggle to build a substantial home. They move into the basement of their unfinished house. The distraught mother turns to the Bible for guidance. These little ones will be saints you know, says an understanding clergyman to Dottie's mother (referring to children with disabilities). She stares at him incredulously. However, would something beyond conventional healing methods be the answer for Dottie's recovery? Have you ever though of an institution? asks the family doctor. Never! she proclaims. The parents run the gamut of distance, time, and money seeking help for their handicapped child. From medical specialists to chiropractors, from a faith healer to a shrine. Although the story does not end in the way they had hoped, they are finally convinced that faith in God will give them courage to accept the things they cannot change. They are a family. They have a home. No wait...that’s too easy. What do you do when you meet your soul mate and have to spend a lifetime loving him in secret? I’ll tell you what you do. You lie.” **REN** Ren was eight when he learned that love doesn’t exist—that the one person who was supposed to adore him only cared how much he was worth. His mother sold him and for two years, he lived in terror. But then...he ran. He thought he’d run on his own. Turned out, he took something of theirs by accident and it became the one thing he never wanted and the only thing he ever needed. **DELLA** I was young when I fell in love with him, when he switched from my world to my everything. My parents bought him for cheap labour, just like they had with many other kids, and he had the scars to prove it. At the start, he hated me, and I could understand why. For years he was my worst enemy, fiercest protector, and dearest friend. But by the end...he loved me. The only problem was, he loved me in an entirely different way to the way I loved him. And slowly, my secret drove us apart. Eleven all new stories from twelve top paranormal romance authors. Nutcrackers (A Breed Christmas Short) "Darkness isn't one shade, sweetheart." Three centuries ago, Molly Darling's
ancestors signed a contract in blood-daemon blood-to protect themselves from harm. On the eve she turns nineteen,
Molly leaves for her birthday party against her parent's wishes, sick of their warnings about her "betrothal to a
demon." Except that she's very much betrothed, and he's very much a demon-one who's only agreed to the nuptials
to use Molly's ancient daemon powers. Brash, arrogant, and built like a Greek god, Tensley Knight keeps showing
up to save Molly from otherworldly attacks, only to insult her a moment later. As Molly learns more about the
demon world, she realizes two things: that her family's safety depends on a successful marriage, while any chance of
freedom she'll ever have calls for Tensley's demise. Yet sometimes Molly spots a tortured soul beyond those liquid
grey eyes, and there's no denying the way her skin tingles when Tensley touches it. In Vein of Love, safety requires
sacrifice, foe becomes lover, and one must decide whether to kiss...or to kill. An award-winning retelling of the
Biblical creation story from a star of the Harlem Renaissance and an acclaimed illustrator James Weldon Johnson,
author of the civil rights anthem "Lift Ev'ry Voice and Sing," wrote this beautiful Bible-learning story in 1922, at the
height of the Harlem Renaissance. Set in the Deep South, The Creation alternates breathtaking scenes from Genesis
with images of a country preacher under a tree retelling the story for children. The exquisite detail of James E.
Ransome's sun-dappled paintings and the sophisticated rhythm of the free verse pay tribute to Black American oral
traditions of country sermonizing and storytelling: As far as the eye of God could see/ Darkness covered everything/
Blacker than a hundred midnights/ Down in a cypress swamp. . . . This beautiful new edition of the classic Coretta
Scott King Award winner features a fresh, modern design, a reimagined cover, and an introduction of the remarkable
life of James Weldon Johnson. Beneath the dust jacket, the case features a detail of Ransome's beautiful night sky,
spangled with stars. A Junior Library Guild selection! Utopia (Libellus vere aureus, nec minus salutaris quam
festivus, de optimo rei publicae statu deque nova insula Utopia, "A little, true book, both beneficial and enjoyable,

about how things should be in the new island Utopia") is a work of fiction and socio-political satire by Thomas More (1478-1535), written in Latin and published in 1516. The book is a frame narrative primarily depicting a fictional island society and its religious, social, and political customs. Many aspects of More's description of Utopia are reminiscent of life in monasteries. One evening some friends were gathered at the home of one of our most celebrated writers. Having dined sumptuously, they were discussing murder—apropos of what, I no longer remember probably apropos of nothing. Only men were present: moralists, poets, philosophers and doctors—thus everyone could speak freely, according to his whim, his hobby or his idiosyncrasies, without fear of suddenly seeing that expression of horror and fear which the least startling idea traces upon the horrified face of a notary. I—say notary, much as I might have said lawyer or porter, not disdainfully, of course, but in order to define the average French mind. With a calmness of spirit as perfect as though he were expressing an opinion upon the merits of the cigar he was smoking, a member of the Academy of Moral and Political Sciences said: “Really—I honestly believe that murder is the greatest human preoccupation, and that all our acts stem from it... “ We awaited the pronouncement of an involved theory, but he remained silent. “Absolutely!” said a Darwinian scientist, “and, my friend, you are voicing one of those eternal truths such as the legendary Monsieur de La Palisse discovered every day: since murder is the very bedrock of our social institutions, and consequently the most imperious necessity of civilized life. If it no longer existed, there would be no governments of any kind, by virtue of the admirable fact that crime in general and murder in particular are not only their excuse, but their only reason for being. We should then live in complete anarchy, which is inconceivable. So, instead of seeking to eliminate murder, it is imperative that it be cultivated with intelligence and perseverance. I know no better culture medium than law.” Someone protested. “Here, here!” asked the savant, “aren’t we alone, and speaking frankly?” “Please!” said the host, “let us profit thoroughly by the only occasion when we are free to express our personal ideas, for both I, in my books, and you in your turn, may present only lies to the public.” The scientist settled himself once more among the cushions of his armchair, stretched his legs, which were numb from being crossed too long and, his head thrown back, his arms hanging and his stomach soothed by good digestion, puffed smoke?rings at the ceiling: “Besides,” he continued, “murder is largely self?propagating. Actually, it is not the result of this or that passion, nor is it a pathological form

of degeneracy. It is a vital instinct which is in us all—which is in all organized beings and dominates them, just as the genetic instinct. And most of the time it is especially true that these two instincts fuse so well, and are so totally interchangeable, that in some way or other they form a single and identical instinct, so that we no longer may tell which of the two urges us to give life, and which to take it—which is murder, and which love. I have been the confidant of an honorable assassin who killed women, not to rob them, but to ravish them. His trick was to manage things so that his sexual climax coincided exactly with the death?spasm of the woman: 'At those moments,' he told me, 'I imagined I was a God, creating a world!'" A collection of articles and pieces, and four complete books, all written as a testimonial to the cat. One of the most beloved novels of all time, Colleen McCullough's magnificent saga of dreams, struggles, dark passions, and forbidden love in the Australian outback has enthralled readers the world over. *The Thorn Birds* is a chronicle of three generations of Clearys—an indomitable clan of ranchers carving lives from a beautiful, hard land while contending with the bitterness, frailty, and secrets that penetrate their family. It is a poignant love story, a powerful epic of struggle and sacrifice, a celebration of individuality and spirit. Most of all, it is the story of the Clearys' only daughter, Meggie, and the haunted priest, Father Ralph de Bricassart—and the intense joining of two hearts and souls over a lifetime, a relationship that dangerously oversteps sacred boundaries of ethics and dogma. I had it all. Two beautiful children. A gainfully employed husband. A successful food blog. The only thing missing from my life was . . . heat. And I wanted to live. To live loudly and without fear. I also wanted my husband to think I was as hot as I was when we were high school sweethearts. More, I wanted what my sister had: love, passion, and a husband whose love was infinite. Because something was happening with Rob. Had he fallen out of love with me? Had he found someone else? Was I not— Sigh. Was I not enough? Lincolnshire, 1537. Amid England's religious turmoil, fifteen-year-old Anne Askew is forced to take her dead sister's place in an arranged marriage. The witty, well-educated gentleman's daughter is determined to free herself from her abusive husband, harsh in-laws, and the cruel strictures of her married life. But this is the England of Henry VIII, where religion and politics are dangerously entangled. A young woman of Anne's fierce independence, Reformist faith, uncanny command of plainspoken scripture, and—not least—connections to Queen Katheryn Parr's court cannot long escape official notice, or censure. In a deft blend of history and imagination, award-winning novelist Rilla Askew brings to life a young woman who defied the conventions of her time, ultimately braving torture and the fire of martyrdom for her convictions. A rich evocation of Reformation England, from the fenlands of Lincolnshire to the teeming religious underground of London to the court of Henry VIII, this gripping tale of defiance is as pertinent today as it was in the sixteenth century. While skillfully portraying a significant historical figure—one of the first female writers known to have composed in the English language—Prize for the Fire renders the inner life of Anne Askew with a depth and immediacy that transcends time.

****Reverse Harem/ HEA****When renowned novelist Ally Swift goes to help a friend out of a jam, she finds herself thrust into a world she previously thought only existed in the paranormal books she wrote. A world of vampires, magic, and mind-blowing sex that she could never have dreamed was possible. Caught between five powerful vampires, she is trapped between the strength of their hands, the fire in their touch, and the ache in her skin for the thrust of their teeth. She is the key to their survival, and for the four she denies, their lives will be forfeit. Can she find a way to save them all, and place her heart in the hands of the one whose soul resonates with her own, and still finish that damn book she's got a deadline for?

Full length, stand alone, reverse harem, happily ever after. Be prepared for laughter, love, and a harem you will dream of coming for you.

Pi Patel, having spent an idyllic childhood in Pondicherry, India, as the son of a zookeeper, sets off with his family at the age of sixteen to start anew in Canada, but his life takes a marvelous turn when their ship sinks in the Pacific, leaving him adrift on a raft with a 450-pound Bengal tiger for company.

Leo Tolstoy (9th September 1828-20th November 1910), the author, was a novelist, short story writer, playwright,

essayist. His renowned works are - 'War and Peace', 'Anna Karenina', 'The Death of Ivan Ilyich' and so on. He was a Russian writer and regarded as one of the greatest authors of all time. 'War and Peace' is a literary work includes historical and philosophical incidences and matter. It is one of the best appreciable works, all over the world. It includes French invasion of Russian and the Napoleon era as well as Tsarist society. The story revolves in the beginning, around Anna pavlona, the maid of honour and confidante to the dowager Empress Maria Feodorovna. One more character pierre Bezukhov is the wealthy fellow but he is the illegitimate son of a wealthy count. People respect him due to his wealthy guardian. It explains about his education and career. Then story part is related to the Rostav family in Moscow. Love angles of 2-3 characters are narrated in this part of story, which seems interesting. The Russian-French war is elaborated nicely. The battle of Austerlitz is the important event in the book. The author portrays Austerlitz as an early test for Russia. Actually it fought for irrelevant things like glory or renown. Prince Andrei Bolkonsky leaves behind his family to fight a war against Napoleon. The author has best provided about a broad panorma of the Russian Society. Focus on how Storitulity works and family happiness. Also it consists of lots of Romance. Once upon a time, there lived a girl named Fallon, who was taken far away from home shortly after she was born.? A home that held more than strange traditions and bizarre superstitions. Twenty-four years later, she returned to Weeping Hollow, a haunting town she'd only heard about in stories during restless nights under a marble moon, to meet her last living relative.? They called her a freakshow--a ghost. They said I couldn't go near her. Still, there was this aching pull to Fallon Grimaldi that I couldn't escape. A nostalgic pull as if we'd been here before. Once upon a time, there lived a mysterious man named Julian with a curse as old as centuries wrapped around his soul.? He was one of the four Hollow Heathens, the very dark creatures who caused the town's people to live in fear.? And the Blackwell name was stained with darkness and death. They called him a monster. Cold and hollow. They said I shouldn't go near him. Still, there was this aching pull to Julian Blackwell that I couldn't escape. A nostalgic pull as if we'd been here before. Galway, the winter of 1885. The violent murders of John Moylan, killed in a dark boreen, and Alice Burns, shot dead in the dining room of the Royal Hotel, have shaken the county. Now, following painstaking investigations and charged courtroom drama, justice beckons for the guilty parties. James Berry, the notorious executioner who ended the lives of over one hundred criminals in Victorian Britain and Ireland, has come to town.

The paths of a secret paramour, a jilted lover and a reluctant hangman are about to cross. When the Hangman Came to Galway is a chilling true story that delivers a meticulously researched, eye-opening portrait of Victorian Ireland and a spine-tingling tale of love, revenge, murder and retribution. The Tragedy of Arthur is an emotional and elaborately constructed tour de force from “one of the best writers in America” (The Washington Post). Its doomed hero is Arthur Phillips, a young novelist struggling with a con artist father who works wonders of deception. Imprisoned for decades and nearing the end of his life, Arthur’s father reveals a treasure he’s kept secret for half a century: The Tragedy of Arthur, a previously unknown play by William Shakespeare. Arthur and his twin sister inherit their father’s mission: to see the manuscript published and acknowledged as the Bard’s last great gift to humanity . . . unless it’s their father’s last great con. By turns hilarious and haunting, this virtuosic novel, which includes Shakespeare’s (?) lost play in its entirety, brilliantly subverts our notions of truth, fiction, genius, and identity, as the two Arthurs—the novelist and the ancient king—play out their strangely intertwined fates.
