The Giving Tree Nov 24 2019 As The Giving Tree turns fifty, this timeless classic is available for the first time ever in ebook format. This digital edition allows young readers and lifelong fans to continue the legacy and love of a classic that will now reach an even wider audience. "Once there was a tree...and she loved a little boy." So begins a story of unforgettable perception, beautifully written and illustrated by the gifted and versatile Shel Silverstein. This moving parable for all ages offers a touching interpretation of the gift of giving and a serene acceptance of another's capacity to love in return. Every day the boy would come to the tree to eat her apples, swing from her branches, or slide down her trunk...and the tree was happy. But as the boy grew older he began to want more from the tree, and the tree gave and gave and gave. This is a tender story, touched

with sadness, aglow with consolation. Shel Silverstein's incomparable career as a bestselling children's book author and illustrator began with Lafcadio, the Lion Who Shot Back. He is also the creator of picture books including A Giraffe and a Half, Who Wants a Cheap Rhinoceros?, The Missing Piece, The Missing Piece Meets the Big O, and the perennial favorite The Giving Tree, and of classic poetry collections such as Where the Sidewalk Ends, A Light in the Attic, Falling Up, Every Thing On It, Don't Bump the Glump!, and Runny Babbit. And don't miss the other Shel Silverstein ebooks, Where the Sidewalk Ends and A Light in the Attic!

The Inquisitor's Tale Feb 20 2022 A Newbery Honor Book Winner of the Sydney Taylor Book Award An exciting and hilarious medieval adventure from the bestselling author of A Tale Dark and Grimm. Beautifully illustrated throughout by Hatem Aly! □ A New York Times Bestseller □ A New York Times Editor's Choice □ A New York Times Notable Children's Book □ A People Magazine Kid Pick □ A Washington Post Best Children's Book □ A Wall Street Journal Best Children's Book □ An Entertainment Weekly Best Middle Grade Book □ A Booklist Best Book □ A Horn Book Fanfare Best Book □ A Kirkus Reviews Best Book □ A Publishers Weekly Best Book □ A School Library Journal Best Book □ An ALA Notable Children's Book "A profound and ambitious tour de force. Gidwitz is a masterful storyteller." –Matt de la Peña, Newbery Medalist and New York Times bestselling author "What Gidwitz accomplishes here is staggering." –New York Times Book Review Includes a detailed historical note and bibliography 1242. On a

dark night, travelers from across France cross paths at an inn and begin to tell stories of three children. Their adventures take them on a chase through France: they are taken captive by knights, sit alongside a king, and save the land from a farting dragon. On the run to escape prejudice and persecution and save precious and holy texts from being burned, their quest drives them forward to a final showdown at Mont Saint-Michel, where all will come to question if these children can perform the miracles of saints. Join William, an oblate on a mission from his monastery; Jacob, a Jewish boy who has fled his burning village; and Jeanne, a peasant girl who hides her prophetic visions. They are accompanied by Jeanne's loyal greyhound, Gwenforte . . . recently brought back from the dead. Told in multiple voices, in a style reminiscent of *The Canterbury Tales*, our narrator collects their stories and the saga of these three unlikely allies begins to come together. Beloved bestselling author Adam Gidwitz makes his long awaited return with his first new world since his hilarious and critically acclaimed Grimm series. Featuring manuscript illuminations throughout by illustrator Hatem Aly and filled with Adam's trademark

style and humor, *The Inquisitor's Tale* is bold storytelling that's richly researched and adventure-packed. "It's no surprise that *Gidwitz's* latest book has been likened to *The Canterbury Tales*, considering its central story is told by multiple storytellers. As each narrator fills in what happens next in the story of the three children and their potentially holy dog, their tales get not only more fantastical but also more puzzling and addictive. However, the gradual intricacy of the story that is not *Gidwitz's* big accomplishment. Rather it is the complex themes (xenophobia, zealotry, censorship etc.) he is able to bring up while still maintaining a light tone, thus giving readers a chance to come to conclusions themselves. (Also, there is a farting dragon.)"—Entertainment Weekly, "Best MG Books of 2016 "Puckish, learned, serendipitous . . . Sparkling medieval adventure." —Wall Street Journal □ "*Gidwitz* strikes literary gold with this mirthful and compulsively readable adventure story. . . . A masterpiece of storytelling that is addictive and engrossing." —Kirkus, starred review □ "A well-researched and rambunctiously entertaining story that has as much to say about the present as it does

the past." –*Publishers Weekly*, starred review □ *"Gidwitz proves himself a nimble storyteller as he weaves history, excitement, and multiple narrative threads into a taut, inspired adventure."* –*Booklist*, starred review □ *"Scatological humor, serious matter, colloquial present-day language, the ideal of diversity and mutual understanding—this has it all."* –*The Horn Book*, starred review □ *"I have never read a book like this. It's weird, and unfamiliar, and religious, and irreligious, and more fun than it has any right to be. . . . Gidwitz is on fire here, making medieval history feel fresh and current."* –*School Library Journal*, starred review

Three Rings May 31 2020 A memoir, biography, work of history, and literary criticism all in one, this moving book tells the story of three exiled writers—Erich Auerbach, François Fénelon, and W. G. Sebald—and their relationship with the classics, from Homer to *Mimesis*. In a genre-defying book hailed as "exquisite" (*The New York Times*) and "spectacular" (*The Times Literary Supplement*), the best-selling memoirist and critic Daniel Mendelsohn explores the mysterious links between the randomness of the lives we lead and the

artfulness of the stories we tell. Combining memoir, biography, history, and literary criticism, *Three Rings* weaves together the stories of three exiled writers who turned to the classics of the past to create masterpieces of their own—works that pondered the nature of narrative itself: Erich Auerbach, the Jewish philologist who fled Hitler's Germany and wrote his classic study of Western literature, *Mimesis*, in Istanbul; François Fénelon, the seventeenth-century French archbishop whose ingenious sequel to the *Odyssey*, *The Adventures of Telemachus*—a veiled critique of the Sun King and the best-selling book in Europe for a hundred years—resulted in his banishment; and the German novelist W.G. Sebald, self-exiled to England, whose distinctively meandering narratives explore Odyssean themes of displacement, nostalgia, and separation from home. Intertwined with these tales of exile and artistic crisis is an account of Mendelsohn's struggle to write two of his own books—a family saga of the Holocaust and a memoir about reading the *Odyssey* with his elderly father—that are haunted by tales of oppression and wandering. As *Three Rings* moves to its startling conclusion, a climactic revelation

about the way in which the lives of its three heroes were linked across borders, languages, and centuries forces the reader to reconsider the relationship between narrative and history, art and life.

A Tale of Three Villages Jun 24 2022 People are often able to identify change agents. They can estimate possible economic and social transitions, and they are often in an economic or social position to make calculated–sometimes risky–choices. Exploring this dynamic, A Tale of Three Villages is an investigation of culture change among the Yup'ik Eskimo people of the southwestern Alaskan coast from just prior to the time of Russian and Euro-North American contact to the mid-twentieth

century. Liam Frink focuses on three indigenous-colonial events along the southwestern Alaskan coast: the late precolonial end of warfare and raiding, the commodification of subsistence that followed, and, finally, the engagement with institutional religion. Frink's innovative interdisciplinary methodology respectfully and creatively investigates the spatial and material past, using archaeological, ethnoecological, and archival sources. The author's narrative journey tracks the histories of three villages ancestrally linked to Chevak, a contemporary Alaskan Native community: Qavinaq, a prehistoric village at the precipice of colonial interactions and devastated by regional warfare; Kashunak, where people lived during the infancy and growth of the commercial market and colonial religion; and Old Chevak, a briefly occupied "stepping-stone" village inhabited just prior to modern Chevak. The archaeological spatial data from the sites are blended with ethnohistoric documents, local oral histories, eyewitness accounts of people who lived at two of the villages, and Frink's nearly two decades of participant-observation in the region. Frink provides a model for work that examines

interfaces among indigenous women and men, old and young, demonstrating that it is as important as understanding their interactions with colonizers. He demonstrates that in order to understand colonial history, we must actively incorporate indigenous people as actors, not merely as reactors.

Three Tales from the Arabian Nights Jan 27 2020 Once upon a time, the name Baghdad conjured up visions of the most magical, romantic city on earth, where flying carpets carried noble thieves off on wonderful adventures, and vicious viziers and beautiful princesses mingled with wily peasants and powerful genies. This is the world of the Arabian Nights, a magnificent collection of ancient tales from Arabia, India, and Persia. The tales—often stories within stories—are told by the sultana Scheherazade, who relates them as entertainments for her jealous and murderous husband, hoping to keep him amused and herself alive. Nights: 'Ali Baba and the forty thieves killed by the slave girl' is a well-known and well-loved classic, placed alongside the equally enchanting 'Judar and his brothers' and 'Ma'rus the cobbler'.

Istanbul May 23 2022 Istanbul has long been a place where stories and histories collide, where perception is as potent as fact. From the Koran to Shakespeare, this city with three names--Byzantium, Constantinople,

Istanbul -- resonates as an idea and a place, real and imagined. Standing as the gateway between East and West, North and South, it has been the capital city of the Roman, Byzantine, and Ottoman Empires. For much of its history it was the very center of the world, known simply as "The City," but, as Bettany Hughes reveals, Istanbul is not just a city, but a global story. In this epic new biography, Hughes takes us on a dazzling historical journey from the Neolithic to the present, through the many incarnations of one of the world's greatest cities--exploring the ways that Istanbul's influence has spun out to shape the wider world. Hughes investigates what it takes to make a city and tells the story not just of emperors, viziers, caliphs, and sultans, but of the poor and the voiceless, of the women and men whose aspirations and dreams have continuously reinvented Istanbul. Written with energy and animation, award-winning historian Bettany Hughes deftly guides readers through Istanbul's rich layers of history. Based on meticulous research and new archaeological evidence, this captivating portrait of the momentous life of Istanbul is visceral, immediate, and authoritative -- narrative history at its

finest.
