Oh, and it also has a lot of sex. In the early days of the Civil War, rumors of gold in the frozen Klondike brought hordes of newcomers to the Pacific Northwest. Anxious to compete, Russian prospectors commissioned inventor Leviticus Blue to create a great machine that could mine through Alaska's ice. Thus was Dr. Blue's Incredible Bone-Shaking Drill Engine born. But on its first test run the Boneshaker went terribly awry, destroying several blocks of downtown Seattle and unearthing a subterranean vein of blight gas that turned anyone who breathed it into the living dead. Now it is sixteen years later, and a wall has been built to enclose the devastated and toxic city. Just beyond it lives Blue's widow, Briar Wilkes. Life is hard with a ruined reputation and a teenaged boy to support, but she and Ezekiel are managing. Until Ezekiel undertakes a secret crusade to rewrite history. His quest will take him under the wall and into a city teeming with

ravenous undead, air pirates, criminal overlords, and heavily armed refugees. And only Briar can bring him out alive. Brazilian designer Fábio Sasso, who has wildly popular design blog Abduzeedo, has created the definitive guide to design. This book features interviews with designers and offers tutorials on various design styles, an extension of what he does with his site [abduzeedo.com](http://abduzeedo.com). Each chapter addresses a particular style, e.g., Vintage, Neo-surrealism, Retro 80s, Light Effects, Collage, Vector, and starts off with an explanation about the style and techniques that go into that style. Next, the Abduzeedo Design Guide shows images from different visual artists illustrating each style. Fábio interviews a master of each style, such as, in the case of Retro Art, James White. Then he wraps up the chapter with a tutorial showing the elements and techniques for creating that style in Photoshop. Meant for beginning to intermediate designers as well as more experienced designers looking for inspiration, the book focuses on styles that can be applied both to web or print.
