Ava is tired of her ultracool attitude, ultraradical politics, and ultrablack clothing. She's ready to try something new—she's even ready to be someone new. Someone who fits in, someone with a gorgeous boyfriend, someone who wears pink. But Ava soon finds that changing herself is more complicated than changing her wardrobe. Even getting involved in the school musical raises issues she never imagined. As she faces surprising choices and unforeseen consequences, Ava wonders if she will ever figure out who she really wants to be. Pink received an American Library Association Stonewall Award Honor for exceptional merit relating to the gay/lesbian/bisexual/transgender experience. Supports the Common Core State Standards A guide that helps parents focus on their children's unique strengths and inclinations rather than on gendered stereotypes to more effectively bring out the best in their individual children, for parents of infants to middle schoolers. Reliance on Gendered Stereotypes Negatively Impacts Kids Studies on gender and child development show that, on average, parents talk less to baby boys and are less likely to use numbers when speaking to little girls. Without meaning to, we constantly color-code children, segregating them by gender based on their presumed interests. Our social dependence on these norms has far-reaching effects, such as leading girls to dislike math or increasing aggression in boys. In this practical guide, developmental psychologist (and mother of two) Christia Spears Brown uses science-based research to show how over-dependence on gender can limit kids, making it harder for them to develop into unique individuals. With a humorous, fresh, and accessible perspective, Parenting Beyond Pink & Blue addresses all the issues that contemporary parents should consider—from gender-segregated birthday parties and schools to sports, sexualization, and emotional intelligence. This guide empowers parents to help kids break out of pink and blue boxes to become their authentic selves. 2013 Reprint of 1950 Edition. Full facsimile of the original edition, not reproduced with Optical Recognition Software. Polly wasn't sure she wanted to move to the new house for she suddenly realized that she and her best friend, Jenny, would not be going to the same school. They would no longer share the same seat. They wouldn't be walking home together. How sad life would be! However, Polly found that life in the Pink Maple House was anything but sad. The fun of Jenny's visits more than made up for the daily separation. There were so many new and pleasant experiences to share. "The Pink Maple House" is the story of the childhood of almost any little girl who grows up in the country. The author has caught the feelings, the foolishness, and the anguishes of little girls. Such incidents as the attic adventure, the doll scrapbook, the playing at 'Indians' in the barn, the school experiences, the baking of cookies and wrapping of Christmas presents, etc., are not only amusing and interesting, but heartwarming, satisfying and comforting. "The Pink Maple House" is somewhat reminiscent of "Little Women" in that it is a family story in which the characters are kindly, natural and sympathetic. The story moves right along for the incidents are believable and the details are those about which little girls especially, enjoy reading. Extremely rare in the original edition and much sought after. Pink Moon explores how Nick Drake's third and final album has pattered and purred its way into a new millennium. Features interviews with producer Joe Boyd, string arranger Robert Kirby, and even the marketing team behind the VW Cabrio commercial that launched the album to platinum status more than thirty years after its release. Reminiscent of Dr. Seuss and Hilary Knight, here is a clever read-aloud about a little girl who lives on a planet where everything is pink. Priscilla dreams of seeing the world in other colors and ends up teaching the Great Queen of Pink that diversity leads to true beauty. Priscilla's story is told in lyrical verse and young girls will enjoy reading her pink planet adventure aloud. A New York Times bestseller! A revelatory look at how our environment unconsciously yet dramatically shapes the judgments and decisions we make every day Most of us go through life believing that we are in control of the choices we make—that we think and behave almost independently from the world around us. But as Drunk Tank Pink illustrates, the truth is our environment shapes our thoughts and actions in myriad ways without our permission or even our knowledge. Armed with surprising data and endlessly fascinating examples, Adam Alter addresses the subtle but substantial ways in which outside forces influence us—such as color's influence on mood, our bias in favor of names with which we identify, and how sunny days can induce optimism as well as aggression. Drunk Tank Pink proves that the truth behind our feelings and actions goes much deeper than the choices we take for granted every day. From the acclaimed author of the beloved Angelina Ballerina series comes the second delightful picture book about a feisty fairy who's obsessed with the color pink! When Twinkle and her friends get invited to Fairy Godmother's garden party, they can't wait to wear their sparkly outfits and eat lots of fairy cake! They fly through Sparkle Tree Forest to take a peek at the rainbow roses in the palace. But as they admire the beautiful garden, Twinkle notices that her favorite color is missing! So, she closes her eyes, waves her wand, and casts a little spell to turn everything pink! With her magical pink spells going sideways and frustration running high, can Twinkle set everything right before the garden party is ruined? In her heart of hearts, Mia has but one wish: an evening spent with Michael in a tux and a corsage on her wrist—in other words, the prom. Michael, however, does not seem to share the dream that is the prom. Worse still, a service workers' strike (with Grandmère and Lilly at the heart of it and on opposite sides) threatens the very existence of this year's prom. Will the strike end in time? Can Mia talk Michael out of his anti-prom views? Most importantly, will Mia get to wear her pink prom dress? The Public Health Foundation (PHF) in partnership with the Centers for Disease Control and Prevention (CDC) is pleased to announce the availability of Epidemiology and Prevention of Vaccine-Preventable Diseases, 13th Edition or "The Pink Book" E-Book. - New licensure information for varicella-zoster immune globulin

Contact bookstore@phf.org for more information. For more news and specials on immunization and vaccines visit the Pink Book's Facebook fan page

From a beloved master of crime fiction, Nightmare in Pink is one of many classic novels featuring Travis McGee, the hard-boiled detective who lives on a houseboat. Travis McGee's permanent address is the Busted Flush, Slip F-18, Bahia Mar, Lauderdale, and there isn't a hell of a lot that compels him to leave it. Except maybe a call from an old army buddy who needs a favor. If it wasn't for him, McGee might not be alive. For that kind of friend, Travis McGee will travel almost anywhere, even New York City. Especially when there's a damsel in distress. "As a young writer, all I ever wanted was to touch readers as powerfully as John D. MacDonald touched me."—Dean Koontz The damsel in question is his old friend's kid sister, whose fiancé has just been murdered in what the authorities claim was a standard Manhattan mugging. But Nina knows better. Her soon-to-be husband had been digging around, finding scum and scandal at his real estate investment firm. And this scum will go to any lengths to make sure their secrets don't get out. Travis is determined to get to the bottom of things, but just as he's closing in on the truth, he finds himself drugged and taken captive. If he's being locked up in a mental institution with a steady stream of drugs siphoned into his body, how can Travis keep his promise to his old friend? More important, how can he get himself out alive? Features a new Introduction by Lee Child Synopsis coming soon.....

In the center of earth lies a beautiful place called LaHappyville. King and Queen LaHappy hold the golden diamond ball of happiness in the castle chambers. This magical precious diamond see to it that everyone in the world is happy. Meanwhile, Drusilla who was once the royal scientist of LaHappyville tries to steal the golden diamond ball of happiness. King and Queen LaHappy give birth to a beautiful baby girl and somehow magically, Drusilla can't get To The golden diamond ball of happiness. Drusilla is bitter and even hates happy girls even more due to Princess Pink's powers. King and Queen LaHappy fear that Drusilla will try to return so, they call on Princess Pink's godfather Nigel to train her to be the best all around princess. Men may have their little black book of cocktails - but now women have one just for them, in feminine pink, fashionably designed, and with a lovely textured cover embossed with red foil. What better way for busy girls to entertain than by using this fabulous little gem to help spark up their marvelous social lives... along with setting the right mood for that little hottie that is coming over? Inside, gals will find witty quotes and words of wisdom as well as fabulous drinks from Cosmos to Appletinis to other fun and exciting and easy to make shots, drinks, and cocktails. Best-selling girlfriend expert Jennifer Worick, co-author of *The Worst-Case Scenario Survival Handbook: Dating & Sex*, provide an entertaining introduction. Two painted wooden figures argue about where they came from, whether they just happened by accident or were created by some other being. This is a study of gay and lesbian tourism from, primarily, a marketing perspective but it also examines how marketing activity engages with and affects social issues relating to homosexuality. It includes an overview of the nature of homosexuality and relevant issues that bear upon tourism and marketing. Content includes holiday profiles of both gay men and lesbians; supply of related holiday products; popular and non-popular destinations; tour operators and accommodation provision; tourism and sex and sexually transmitted infections; barriers and inhibitors to choice including host reactions; appropriate marketing strategies. The book locates gay and lesbian tourism and holiday marketing within a context of current issues such as citizenship, identity and consumerism, political activity and distraction, and contested space and de-gaying. When Tiffany challenges Pinkalicious to a laugh-off, the pressure is on to create the most pinkerifically funny joke of all time. Even if Pinkalicious doesn't win the contest, she's going to have a lot of fun trying! Abby Cadabby is feeling blue because it's her birthday—and no one remembered! Even a walk around Sesame Street with Elmo doesn't cheer Abby up. But there's something going on behind the scenes, and toddlers will figure out just before Abby does that there's a happy—and pink—surprise waiting for her right inside her own front door: Grover, Murray, Zoe, Big Bird, and Cookie Monster are giving Abby a birthday party after all! A die-cut flap at the end reveals a BIG homemade birthday card! Pink! is a heartwarming story about learning to be different. Patrick wakes up one morning to find he's turned pink overnight. But boys can't be pink! Rejected by his friends, poor Patrick runs away in search of new pink playmates. He crosses oceans where he finds some pink flamingos, but will he ever fit in with them? Patrick soon learns that friendship is never black and white, but that real friends will accept you just as you are. The author describes her amazing journey from a sheltered childhood to a cushy job as an NFL cheerleader to her bushwhacking, death-defying rise to become a top primatologist, world-renown for her landmark discovery of a new species of lemur. Say Curtis describes his meeting with Pinkus Aylee, a black soldier, during the Civil War, and their capture by Southern troops. Based on a true story about the author's great-great-grandfather. Lucy Desberg is in eighth grade, and she's determined to make this year perfect. Over the course of the year, though, her resourcefulness will be put to the test as she grows up and starts making decisions about the type of person and girlfriend and friend and daughter and sister that she wants to be. Drawing on practical experience, the contributors to this book provide information on the contemporary experience of living as a lesbian, gay or bisexual person. They provide an overview of lesbian, gay and bisexual psychology and propose a model of "gay affirmative therapy" A completely updated and expanded edition of the classic, self-published, southwestern cookbook which has sold more than 32,000 copies. The Pink Adobe restaurant has operated for nearly 45 years and is considered one of the best restaurants in the United States. With their early experiments in psychedelic rock music in the 1960s, and their epic recordings of the 1970s and '80s, Pink Floyd became one of the most influential and recognizable rock bands in history. As "The Pink Floyd Sound," the band created sound and light shows that defined psychedelia in England and inspired similar movements in the Jefferson Airplane's San Francisco and Andy Warhol's New York City. The band's subsequent recordings forged rock music's connections to orchestral music, literature, and philosophy. "Dark Side of the Moon" and "The Wall" ignored pop music's ordinary topics to focus on themes such as madness, existential despair, brutality, alienation, and socially induced psychosis. They also became some of the best-selling recordings of all time. In this collection of essays, sixteen scholars expert in various branches of philosophy set the controls for the heart of the sun to critically examine the themes, concepts, and problems—usually encountered in the pages of Heidegger, Foucault, Sartre, or Orwell—that animate and inspire Pink Floyd's music. These include the meaning of existence, the individual's place in society, the interactions of knowledge and power in education, the contradictions of art and commerce, and the blurry line—the tragic line, in the case of Floyd early member Syd Barrett (died in 2006)—between genius and madness. Having dominated pop music for nearly four decades, Pink Floyd's dynamic and controversial history additionally opens the way for these authors to explore controversies about intellectual property, the nature of authorship, and whether wholes—especially in the case of rock bands—are more than the sums of their parts. Team Rocket's setting traps to snare rare Pokaemon, and Ash must stop them before Pikachu becomes Pink-achu. New to Continuum's acclaimed 33 1/3 series, this is a novella informed by extensive research and interviews with surviving Band members. Dodswoth does as little work as he can, collecting items from a junkyard and placing them in his thrift store for sale, until he happens upon a pink refrigerator that spurs him to do much more with his life. Pink Sky at Night Sailor's delight. Pink Sky in morning Sailors take warning. There are signs to predict bright skies. There is structure. There is a process. There is a focus. Together they create a "pink sky at night" forecast for a bright tomorrow. What are those signs, those actions? The answer lies in the "Pink Sky at Night" strategy. Just as the pink hue is the color that travels the longest distance from the sun, the actions in this strategy will go the distance for sustainable growth in your company. They're built on elevated leadership, bone-deep evolution and sales model synergy. And whether you're a corporate executive or field sales leader, you'll find here new insight and proven actions toward a bright new day

in your business. What do we think of when we think pink? In this richly illustrated homage to the color, artist Kaye Blegvad explores its significance across history and cultures, from gender connotations to product marketing, symbols and iconography, and more. Through engaging mini essays, interactive exercises, object studies, and interviews, readers will learn about a vibrant miscellany of pink facts and pink occurrences: like iconic applications of the color, from Elvis's cars to cotton candy; or the etymology of phrases like "tickled pink," "pink slip," or "rose-tinted glasses." This ebook will captivate those with a passion for pink and anyone with a curiosity about color. Add to existing title list in the series Color My World Pinkalicious meets National Geographic in this nonfiction picture book introducing the weirdest, wildest, pinkest critters in the animal kingdom! Some people think pink is a pretty color. A fluffy, sparkly, princess-y color. But it's so much more. Sure, pink is the color of princesses and bubblegum, but it's also the color of monster slugs and poisonous insects. Not to mention ultra-intelligent dolphins, naked mole rats and bizarre, bloated blobfish. Isn't it about time to rethink pink? Slip on your rose-colored glasses and take a walk on the wild side with zoologist Jess Keating, author of *How to Outrun a Crocodile When Your Shoes Are Untied*, and cartoonist David DeGrand. A New York Public Library Best Book for Kids, 2016 "The 2016 Ambassador to Young People's Science and Nature books is unquestionably the blobfish." —Shelftalker "Readers will never look at pink the same way." —Publishers Weekly A neuroscientist shatters the myths about gender differences, arguing that the brains of boys and girls are largely shaped by how they spend their time, and offers parents and teachers concrete ways to avoid reinforcing harmful stereotypes. Pink Angels and best friends Holly, Raina, and Kathleen have been through a lot over the past year. The summer before their senior year promises to be busy but fun, as Holly and Raina return to their full-time volunteer jobs at the hospital and Kathleen, who needs the money, works at the hospital gift shop. Of course, Raina and Kathleen will be spending as much time as possible with their boyfriends, Hunter and Carson. Holly is happy for her friends, but she can't help feeling a little left out when hanging out with the two couples. She does finally have a boy interested in her, but the e-mails from her secret admirer, Shy Boy, have recently stopped coming. What has she done wrong? Will she ever meet her mystery guy in person? But Holly's world is forever changed when tragedy strikes close to home. It's not fair that the most loving and giving person she knows is the victim of a random crime. She, Raina, and Kathleen will need each other now more than ever.
