About to graduate from high school, Brittany is excited about the prospect of college. She's been accepted to a great university and cannot wait to move on-campus. Her sister, on the other hand, has always been overprotective and has a hard time letting go. In an effort to shield her from every possible downfall, Kim starts preaching about potential hazards in college. But it's hard to tell if what she is saying is sinking in with Brittany—who can tell with teenagers?-so she decides to write it all down. Knowing what a short attention span Brittany has, Kim creates a fun, easy to read reference guide peppered with letters, pictures, and memories-resulting in an informative, compelling book that all teenagers will enjoy.
